
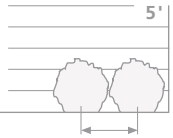
SUNJOY NEO™

***Berberis thunbergii* 'NCBT2' ppaf**

Nothing rhymes with orange.

And nothing can match the intense orange color of Sunjoy Neo™ Berberis. Electric in spring and intense orange the rest of the season, this is a bold choice for landscapes in need of durable color. It has a dense, semi-dwarf habit that's ideal for hedges or mass plantings.

- **SIZE & SHAPE** 2.5' TALL AND WIDE



- **SPACING** 2.5 - 3'
- **USDA ZONE** 5-8
- **FULL SUN**
