SHOW TIME™ *Malus*

HOT CHANA™

Acer palmatum 'JWW7' PP#30,091

Spice up the landscape with the graceful, fast-growing, own-root Japanese maple! Already a hit in Europe, the ever-changing color of its foliage sets it apart: leaves emerge bright red in spring, which darkens to a chocolate-red before turning green. All season, new growth continues to emerge red, before the whole tree blazes brilliant scarlet in autumn.

	 SPRING - SUMMER  FALL	  USDA 5 - 8	
	8-15' TALL + 4-6' WIDE		

There's never a dull moment when you grow METAMORPHOSA Japanese maple! The neat, lacy leaves of this shrub transform from yellow in spring, to summer variegation, to fiery red-orange in fall.

< SAMURAI SWORD™

Enjoy all the elegance of a Japanese maple in a bigger package with SAMURAI SWORD maple. This striking tree boasts deep red foliage that turns blazing red in autumn. Perfect for creating shade!

SPRING GLORY®

Amelanchier canadensis 'Sprizam'

SPRING GLORY *Amelanchier* combines everything that's so beloved about this native tree: profuse spring bloom, sweet fruit, glorious fall color, and adds in a dwarf, compact habit that greatly expands the ways in which it can be used in the landscape or garden. Its short stature makes it perfectly suited for planting around utility lines and buildings.

	☁ SPRING • 🌸 EARLY SUMMER • 🍂 FALL
12' TALL + 6-8' WIDE	☀ ☀ USDA 4-9

AVALANCHE™

Betula × 'Avalzam'

AVALANCHE birch combines exceptional smooth white bark with a ruggedness and durability that withstands challenging conditions and resists bronze birch borer. Bark starts out tan, takes on pink tones and then turns that bright, stunning white. Neat emerald green leaves develop golden fall color.

	🍂 FALL 🌿 YEAR ROUND
50' TALL + 30-40' WIDE	☀ ☀ USDA 4 - 7

LUSCIOUS LAVENDER™

Cercis canadensis 'Luclavzam'

LUSCIOUS LAVENDER redbud has the brightest, richest flower color of any redbud. Blooms appear before the neat heart-shaped leaves emerge. Few seeds form, so nothing distracts from the beauty of this small tree.

35'	SPRING		USDA 5 - 8
25-30' TALL + WIDE			

MIDNIGHT EXPRESS®

Cercis canadensis 'RNI-RCC3' PP#34,213

With its velvety, deep burgundy foliage, MIDNIGHT EXPRESS redbud beautifies your landscape well beyond bloom time! Enjoy the same bright pink, pea-shaped spring blooms of redbud with the bonus of healthy, richly colorful foliage and an appealing shape.

GOLDEN SHADOWS®

Cornus alternifolia 'Wstackman' PP#11,287

Pagoda dogwood is noted for its strongly horizontal branching. GOLDEN SHADOWS dogwood makes that habit even more dramatic with yellow and green variegated foliage. It often emerges with shades of red and orange, accompanied in spring by lacy white flowers. At its best when planted in light, filtered shade.

PEACHY CREAM™

Cornus florida ‘PGCFPP’ PPAF; CBRAF

A charming dogwood with flowers that emerge peachy-pink, and then transition to white with a pink blush before showing pure white. Selected by Powell Gardens in Kingsville, Missouri, for its unique flower color, hardiness, and clean, healthy foliage.

	  SPRING  FALL
12-18' TALL + 10' WIDE	  USDA 5-9

CRUSADER®

Crataegus crus-galli var. *inermis* 'Cruzam'

In addition to its abundant white floral display in late spring, attractive silver bark, colorful fall foliage, and showy fruit, this thornless native hawthorn tolerates just about any challenge you can give it. It shrugs off wet and dry soils, is not fussy about pH levels, is unbothered by clay or salt, and resists the many diseases that often plague the rose family.

^ PINK SNOW SHOWERS™

Prunus × 'Pisnshzam'

Its elegant, arching branches are a flurry of sweet pink flowers in early spring, standing out against the silvery branches. Serrated, dark green foliage has no issue with unsightly shot hole disease, staying clean all season before developing into red and orange tones in fall. This vigorous grower quickly develops into a showpiece.

^ MARLEY'S PINK™

Styrax japonicus 'JLWeeping' PP#23,755

Japanese styrax is widely appreciated as one of the prettiest small trees available, and Marley's Pink styrax gilds the lily with beautiful pink flowers instead of the typical white, and an elegant weeping habit. Glossy green foliage turns bright yellow in fall on this truly sweet and useful tree. Developed by John Lewis of JLPN Nursery in Oregon.
