

LIME RICKEY® *Hydrangea*

INCREDIBALL® *Hydrangea*

INCREDIBALL® Blush *Hydrangea*

***Hydrangea arborescens* • Smooth Hydrangea**

Family: Hydrangaceae (arbor-escens: becoming tree-like)

'Annabelle'

Snowball flowers gradually change from green to pure white. Introduced by Joe McDaniel in 1960. Native. Awards: PSC, Georgia Gold Medal Plant.

USDA 3, AHS 9, 3-4', gr 1, summer bloom ☀️ ✂️ 🌸

Item #: 33402 - 2 ¼" • 33404 - 4"

LIME RICKEY® (*H. a.* 'SMNHALR' pp#28,858, cbr#5627)

Hot summer weather calls for a refreshing lime rickey! Cool, lime-green mop-head blooms sport showy pink pollen and take on a marbled jade effect as they age. Super strong stems make this fantastic in the landscape and as a fresh or dried cut flower. We recommend selling this plant in 2-gallon pots or larger. Native.

USDA 3, AHS 9, 4-5', gr 1, summer bloom ☀️ ✂️ 🌸

Item #: 33522 - 2 ¼" • 33524 - 4" • 33525 - Quick Turn

INCREDIBALL® (*H. a.* 'Abetwo' pp#20,571, cbr#4166)

An improved 'Annabelle' hydrangea, Incridiball® has beefy stems and massive blooms. The breeding goal was stronger stems to eliminate flop, but we got incredibly large blooms too! Each one has roughly four times as many florets as 'Annabelle'. Lightly fragrant. We recommend selling this plant in 2-gallon pots or larger. Native.

USDA 3, AHS 9, 4-5', gr 1, summer bloom ☀️ ✂️ 🌸

Item #: 33322 - 2 ¼" • 33324 - 4" • 33325 - Quick Turn

INCREDIBALL® Blush (*H. a.* 'NCHA4' pp#28,280, cbr#5624)

Incridiball hydrangeas are loved for their sturdy stems and massive blooms. Incridiball Blush hydrangea adds a new color to the series, with big, bodacious, blush-pink blooms that change to an attractive green color as they age. We recommend selling this plant in 2-gallon pots or larger. Native. Awards: Bronze Medal, Plantarium 2016.

USDA 3, AHS 9, 4-5', gr 1, summer bloom ☀️ ✂️ 🌸

Item #: 33842 - 2 ¼" • 33844 - 4" • 33845 - Quick Turn

INVINCIBELLE LIMETTA® *Hydrangea*

INVINCIBELLE MINI MAUVETTE® *Hydrangea*

THE INVINCIBELLE® Series

Totally innovative and truly unique – that’s the hallmark of all of Tom Ranney’s breeding, and it is on full display in these amazing new *Hydrangea arborescens*. The Invincibelle® series now includes five fabulous varieties, all reblooming, all with strong, supporting stems and reliability that makes grandmother ‘Annabelle’ proud. The Invincibelle® varieties are fast production plants that offer outstanding container presentation.

INVINCIBELLE LIMETTA® (*H. a.* ‘NCHA8’ ppaf, cbrpf)

A beautiful rounded dwarf variety with dark green leaves and showy round flower heads that emerge a lush lime green, lighten to soft greenish-white, then age to green again. The stiff stems and dwarf habit will make growers, retailers, and gardeners very happy. Native.

USDA 3, AHS 9, 3-4’, gr 1, summer rebloomer   

Item #: 33612 - 2 1/4" • 33614 - 4" • 33615 - Quick Turn

INVINCIBELLE MINI MAUVETTE® (*H. a.* ‘NCHA7’ ppaf, cbrpf)

A whole new color for smooth hydrangea. This dwarf rounded plant has dark green leaves and showy, mauve-purple mophead flowers. Native.

USDA 3, AHS 9, 2.5-3’, gr 1, summer rebloomer   

Item #: 33882 - 2 1/4" • 33884 - 4" • 33885 - Quick Turn

INVINCIBELLE® Ruby (*H. a.* ‘NCHA3’ pp#28,317, cbr#5623)

The first ever red flowered *Hydrangea arborescens*, the dark, burgundy red flower buds of Invincibelle® Ruby open to a two-toned combination of bright ruby red and silvery pink. The foliage is extra dark and the stems are strong, ensuring outstanding performance in the container as well as in the garden. It is a strong rebloomer and can be cycle-pruned to deliver multiple shipments of budded plants to the garden center. We recommend selling this plant in 2-gallon pots or larger. Native. Awards: Bronze Medal, Plantarium 2016; 2017 DGA Green Thumb Award.

USDA 3, AHS 9, 3-4’, gr 1, summer rebloomer   

Item #: 33572 - 2 1/4" • 33574 - 4" • 33575 - Quick Turn

INVINCIBELLE® Ruby *Hydrangea*

Hydrangea arborescens Size and Bloom Color Comparison

INVINCIBELLE® Spirit II Hydrangea

INVINCIBELLE WEE WHITE® Hydrangea

BLUE BUNNY™ Hydrangea

Hydrangea arborescens continued

INVINCIBELLE® Spirit II (*H. a.* 'NCHA2' pp#28,316, cbr#5622)

This improved Invincibelle® Spirit hydrangea has darker foliage, stiffer stems, and larger flowers that are a richer pink, aging to an attractive green. This hydrangea grows from Manitoba to Mobile, blooming every year from mid-summer to frost. It is a strong rebloomer and can be cycle-pruned to deliver multiple shipments of budded plants to the garden center. We recommend selling this plant in 2 gallon pots or larger. One dollar per plant sold is donated to the Breast Cancer Research Foundation. Native.

USDA 3, AHS 9, 3.5-4', gr 1, summer rebloomer 🌞 ✂️ 🌸
Item #: 33862 - 2 1/4" • 33864 - 4" • 33865 - Quick Turn

\$1.00 from each Invincibelle® Spirit II sold is donated to the Breast Cancer Research Foundation®. We encourage you to donate as well. BCRF is dedicated to preventing breast cancer and finding a cure in our lifetime by funding clinical and translational research worldwide.

INVINCIBELLE WEE WHITE® (*H. a.* 'NCHA5' ppaf, cbraf)

The smallest *H. arborescens* yet! This tiny, tidy hydrangea is a game changer with abundant flower heads that flush soft pink, aging to white then green. Strong, supportive stems prevent flopping. Native.

USDA 3, AHS 9, 1-2.5', gr 1, summer rebloomer 🌞 ✂️ 🌸
Item #: 33832 - 2 1/4" • 33834 - 4" • 33835 - Quick Turn

Hydrangea involucrata • Bracted Hydrangea

Family: Hydrangaceae (involucr-ata: Latin for envelope or wrapper, referring to the inflorescence)

BLUE BUNNY™ (*H. i.* 'Wim Rutten' pp#21,991)

Everyone who sees this unique variety in our trial gardens falls in love with it. A drift of blue flowers from mid-summer until fall! Developed by the late Wim Rutten of the Netherlands, this plant is as special as the man. This strong grower blooms on new wood, reliably and abundantly each year.

USDA 6, AHS 9, 2-4', gr 1, summer bloom 🌞 🌧️ 🌸
Item #: 34514 - 4"

CITYLINE® Paris

LET'S DANCE® BIG EASY®

TUFF STUFF™

**PRE-BUDDED HYDRANGEAS
 EASY – BEAUTIFUL – PROFITABLE!**

Proven Winners® ColorChoice® pre-budded hydrangeas are a simple way to add a colorful, fast-turning hydrangea program to early spring sales. These heavy Quick Turn™ liners have been specially pruned to bloom in spring. Follow our 13 week recipe, include appealing Proven Winners tags and containers, and have blooming one gallon hydrangeas to ship for Mother's Day! No minimum order required.

Pre-budded liners are available for the following:

- H. macrophylla* – CITYLINE® Paris, CITYLINE® Venice, and CITYLINE® Vienna
- LET'S DANCE® BIG EASY® and LET'S DANCE® BLUE JANGLES®
- H. serrata* – TUFF STUFF™, TUFF STUFF™ Red

CITYLINE® Mars Hydrangea

CITYLINE® Paris Hydrangea

Hydrangea macrophylla • Bigleaf Hydrangea

Family: Hydrangaceae (macro-phyll-a: large leaved)

CITYLINE® Series

Tired of floppy, weak-stemmed hydrangeas, especially when shipping? The Cityline® series is the answer. Growth regulators are prohibited in Europe, so German breeders Franz-Xaver and Konrad Rampp developed this series that naturally take on tight, full habits without chemicals, shearing or pruning off flower buds. Large, vividly colored flowers, strong stems, and dark glossy foliage characterize these outstanding hybrids. All offer excellent mildew resistance. Cityline® creates a knockout one gallon, and the blooms can be shifted from pink to blue with the addition of aluminum sulfate.

PW **CITYLINE® Mars** (*H. m.* 'Ramars')
 Unusual bi-color flowers and high quality foliage.
 USDA 5, AHS 9, 2-3', gr 0.5, summer bloom 🌞 🌧️ ✂️ 🌸 🌸
 Item #: 37614 - 4" • 37615 - Quick Turn

PW **CITYLINE® Paris** (*H. m.* 'Paris Rapa' pp#10,906)
 The reddest hydrangea! Long lasting blooms
 USDA 5, AHS 9, 1-2', gr 0.5, summer bloom 🌞 🌧️ 🌸
 Item #: 37574 - 4" • 37575 - Quick Turn • 37575PB - Pre-Budded

PW **CITYLINE® Rio** (*H. m.* 'Ragra')
 This small to medium-sized plant is early blooming, with large, long-lasting blooms. Flower color ranges from strong blue to purple depending upon the availability of aluminum.
 USDA 5, AHS 9, 2-3', gr 0.5, summer bloom 🌞 🌧️ ✂️ 🌸 🌸
 Item #: 36044 - 4" • 36045 - Quick Turn

PW **CITYLINE® Venice** (*H. m.* 'Venice Raven' pp#10,928)
 Big, bright fuchsia-colored flowers are long-lasting and change to an attractive green with age. Glossy foliage.
 USDA 5, AHS 9, 1-3', gr 0.5, summer bloom 🌞 🌧️ ✂️ 🌸 🌸
 Item #: 37604 - 4" • 37605 - Quick Turn • 37605PB - Pre-Budded

Hydrangea macrophylla continued

LET'S DANCE® Reblooming Hydrangea

Developed in Grand Haven, Michigan, the Let's Dance® series of reblooming bigleaf hydrangeas are the result of years of careful breeding and evaluation for cold weather performance. We have cut plants back each fall to thoroughly test their ability to develop new wood flower buds even in cold, Midwestern conditions; we have left plants intact to test their bud hardiness, too. In both respects, these six selections come out on top. If you find yourself in west Michigan in summer, stop by our trial gardens and see them for yourself!

LET'S DANCE® BIG EASY® (*H. m.* 'Berner' pp#22,329, cbr#4526)

The huge mophead blooms go through a delightful progression of color changes, from pink/green to pink, and often back to green.

USDA 5, AHS 9, 2-3', gr 0.5, summer rebloom     

Item #: 38624 - 4" • 38625 - Quick Turn • 38625PB - Pre-Budded

LET'S DANCE® BLUE JANGLES® (*H. m.* 'SMHMTAU' pp#27,035, cbr#5283)

A real standout in the garden and in the container because of its sturdy frame and propensity to rebloom, this is unusually compact for a reblooming hydrangea. Readily turns blue in the right soil conditions.

USDA 5, AHS 9, 1-2', gr 0.5, summer rebloom     

Item #: 34834 - 4" • 34835 - Quick Turn • 34835PB - Pre-Budded

LET'S DANCE DIVA!™ (*H. m.* 'SMHMLDD' pp#25,105, cbr#5127)

Supersized blooms have sepals the size of your palm and baby blue (or pink) lacecap blooms as big as a dinner plate. This floriferous rebloomer has been a huge hit with consumers! 2014 Shrub Madness® champion.

USDA 5, AHS 9, 3-4', gr 0.5, summer rebloom     

Item #: 35154 - 4" • 35155 - Quick Turn

LET'S DANCE® RAVE® (*H. m.* 'SMNHMSIGMA' pp#26,929, cbr#5628)

A strong, reliable bloomer with an abundance of mophead blooms ranging from a rich violet-purple color on acidic soils to an intense saturated pink on alkaline soils.

USDA 5, AHS 9, 2-3', gr 0.5, summer rebloom     

Item #: 34824 - 4" • 34825 - Quick Turn

LET'S DANCE® RHYTHMIC BLUE®

(*H. m.* 'SMHMES14' pp#25,836, cbr#5126)

One of our strongest rebloomers, the flowers of this Let's Dance® hydrangea are truly amazing. The florets have distinctive star-shaped sepals that are packed into full, richly colored mophead flowers. Very easy shift from pink to amethyst blue.

USDA 5, AHS 9, 3-4', gr 0.5, summer rebloom     

Item #: 38744 - 4" • 38745 - Quick Turn

LET'S DANCE® Starlight (*H. m.* 'Lynn' pp# 20,019, cbr#4069)

Let's Dance® Starlight hydrangea is the first ever reblooming lacecap. It's hardy, dependable and colorful. The massive blooms are vivid pink (or blue) with strong stems, and the plant has excellent container presentation.

USDA 5, AHS 9, 2-3', gr 0.5, summer rebloom     

Item #: 38654 - 4" • 38655 - Quick Turn

Quick guide to the Let's Dance® series:

LET'S DANCE® BIG EASY®: extra large mophead, white eye in center, aging gracefully to green.

LET'S DANCE® BLUE JANGLES®: excellent blue color and great container presentation. Most compact rebloomer.

LET'S DANCE DIVA!™: giant florets make this lacecap look more like a mophead. Exceptional bud hardiness.

LET'S DANCE® RAVE®: purple blooms and heavy bud set.

LET'S DANCE® RHYTHMIC BLUE®: stellar rebloomer and easily turned blue. Florets have distinctive rectangular shape.

LET'S DANCE® Starlight: elegant lacecap, reliable rebloomer.

Hydrangea paniculata Comparison Chart

LITTLE LIME® Hydrangea

Little QUICK FIRE® Hydrangea

Hydrangea paniculata • Panicle Hydrangea

Family: Hydrangaceae (paniculata: panicle-like, referring to the shape of the inflorescence)

BOBO® (*H. p.* 'ILVOBO' pp#22,782, cbr#4910)

This dwarf hydrangea will turn heads! Brought to us by the breeder of Pinky Winky®, Bobo hydrangea is engulfed by large white flowers in summer. Flowers are held upright on strong stems, and continue to grow and lengthen as they bloom. This early blooming variety is an undeniable asset to any small garden. Award: Gold Floral award for best novelty plant.

USDA 3, AHS 8, 2.5-3' tall, 3-4' wide, gr 1

summer bloom ☀️ ☔️ ✂️ 🌸

Item #: 39162 - 2 ¼" • 39164 - 4" • 39165 - Quick Turn

FIRE LIGHT® (*H. p.* 'SMHPFL' pp#25,135, cbr#5160)

The new standard by which to measure all hardy hydrangeas. Upright panicles are packed with florets that transform from pure white to pink and finish a rich pomegranate-red. Its thick, sturdy stems present well in containers as well as the garden. Growers will like it as much as gardeners do! 2015 Shrub Madness® champion. 2019 Hydrangea of the Year.

USDA 3, AHS 8, 6-8', gr 0.5

summer bloom ☀️ ☔️ ✂️ 🌸

Item #: 38922 - 2 ¼" • 38924 - 4" • 38925 - Quick Turn

'Limelight' (*H. p.* pp#12,874, cbr#2319)

Lime green flowers are held upright on strong stems, then mature to an incredible combination of green, pink and burgundy in autumn. Hybridized by noted plantsman Pieter Zwijnenburg Jr. Awards: GMPA; AGM; Plant of Merit 2011, MOBOT.

USDA 3, AHS 9, 6-8', gr 0.5

summer bloom ☀️ ☔️ ✂️ 🌸

Item #: 39192 - 2 ¼" • 39194 - 4" • 39195 - Quick Turn

LITTLE LIME® (*H. p.* 'Jane' pp#22,330, cbr#3914)

Dwarf form of the ever popular 'Limelight', Little Lime® hydrangea sports the same great flowers and coloration but is just a third the size of the original. It's a great choice for container gardens and smaller landscapes. Awards: 2011 Best New Plant ANLA Management Clinic; Gold Medal Plantarium 2013.

USDA 3, AHS 8, 3-5', gr 1

summer bloom ☀️ ☔️ ✂️ 🌸

Item #: 39232 - 2 ¼" • 39234 - 4" • 39235 - Quick Turn

Little QUICK FIRE® (*H. p.* 'SMHPLOF' pp#25,136, cbr#5406)

It has the same early bloom time as the original Quick Fire® hydrangea, but this dwarf plant is about one-third the size. The flowers quickly age to a deep burgundy red before other varieties start to flower. The compact habit gives it wonderful container presentation at retail, and also makes it a good choice for patio planters.

USDA 3, AHS 8, 3-5', gr 1

early summer bloom ☀️ ☔️ ✂️ 🌸

MEGA MINDY® Hydrangea

PINKY WINKY® Hydrangea

PILLOW TALK® Hydrangea

POLAR BALL™ Hydrangea

QUICK FIRE® Hydrangea

Hydrangea paniculata continued

MEGA MINDY® (*H. p.* 'ILVOMINDY' pp#23,070, cbr#4911)

This fast-growing hydrangea's large flowers emerge white before changing to pink-red in late summer. Blooms are held upright on very sturdy stems - great for cutting. Its compact habit is great for smaller landscapes. From the breeder of Pinky Winky® hydrangea.

USDA 3, AHS 8, 4.5-5.5', gr 1

summer bloom ☀️ 🌧️ ✂️ 🌸 🌺

Item #: 39152 - 2 1/4" • 39154 - 4"

PINKY WINKY® (*H. p.* 'DVP PINKY' pp#16,166, cbr#2889)

An incredible hydrangea with unique, two-toned flower heads in mid-summer. The 12-16" long flowers emerge white, turn pink, and continue to push new white florets from the tip of the panicle. The flowers are held upright on thick, rigid stems. Makes a spectacular specimen or flowering hedge. Dr. Johan Van Huylenbroeck developed this beauty at the Flemish ILVO breeding station.

Award: AGM.

USDA 3, AHS 8, 6-8', gr 1, summer bloom ☀️ 🌧️ ✂️ 🌸 🌺

Item #: 39382 - 2 1/4" • 39384 - 4" • 39385 - Quick Turn

PILLOW TALK® (*H. p.* 'SMHPZIND' pp#26,620, cbr#5162)

Who doesn't like pink? Watch a delightful parade of color changes as bright lime green flowers mature to pure white, then blush with pink as summer progresses. Large, full panicles are held upright on sturdy stems. Great in the garden, and makes a dynamite cut flower.

USDA 3, AHS 8, 6-8', gr 1, summer bloom ☀️ 🌧️ ✂️ 🌸 🌺

Item #: 38852 - 2 1/4" • 38854 - 4"

POLAR BALL™ (*H. p.* 'WRHPBB2' pp#25,837, cbr#5407)

The bigger the show, the bigger the sales! Huge florets give this new hydrangea a nice, full appearance. The oversized flowers are held up nicely by sturdy stems and are packed with pure white flowers, making it an excellent production plant with good container presentation.

USDA 3, AHS 8, 6-8', gr 1, summer bloom ☀️ 🌧️ ✂️ 🌸 🌺

Item #: 39352 - 2 1/4" • 39354 - 4"

QUICK FIRE® (*H. p.* 'Bulk' pp#16,812, cbr#3398)

Get a jump on hydrangea sales with the earliest blooming paniculata available! White blooms appear early in the season and turn deep pink before other paniculatas even begin to bloom. Outstanding fall foliage, too. Bred by Mark Bulk, Boskoop, Netherlands.

USDA 3, AHS 8, 6-8', gr 1, early summer bloom ☀️ 🌧️ ✂️ 🌸 🌺

Item #: 39042 - 2 1/4" • 39044 - 4" • 39045 - Quick Turn

ZINFIN DOLL® (*H. p.* 'SMNHPRZEP' pp#26,956, cbr#)

This hardy hydrangea produces loads of beautiful, dense blooms that emerge pure white, and much like Pinky Winky®, turn bright pink from the bottom up, then age to a dark red-pink. Growers and gardeners both will appreciate this plant's strong stems and unique flower color, as evidenced by its crowning as 2018 Shrub Madness National Champion from over 274,000 votes.

USDA 3, AHS 8, 4.5-6', gr 1, summer bloom ☀️ 🌧️ ✂️ 🌸 🌺

Item #: 38872 - 2 1/4" • 38874 - 4" • 38875 - Quick Turn

Hydrangea quercifolia • Oakleaf Hydrangea

Family: Hydrangaceae (querci-foia: Latin for oak-leaved)

'Alice'

Strong growing selection from Dr. Dirr with 12" white panicles. Dark green foliage and burgundy fall color. Native.

USDA 5, AHS 9, 6-10', gr 1, summer bloom, fall foliage ☀️ 🌧️ 🌸

Item #: 40504 - 4"

GATSBY Series

Just as *The Great Gatsby* is a classic of American literature, *H. quercifolia* is a classic North American native. Long prized by savvy gardeners, it's time to bring this sophisticated shrub to a wider market.

GATSBY GAL® (*H. q.* 'Brenhill' pp#25,106, cbr#5304)

An elegant, compact oakleaf with lots of impressively large flowers. Full panicles of pure white blooms are held upright above the foliage, and are quite large relative to the plant's size, making it an ideal choice for smaller gardens.

Native.*

USDA 5, AHS 9, 5-6', gr 1, summer bloom, fall foliage

Item #: 40934 - 4" • 40935 - Quick Turn

GATSBY MOON® (*H. q.* 'Brother Edward' pp#25,413, cbr#5348)

Densely packed, doubled flowers are held on stronger stems than 'Harmony'. The pure white florets create full, dense mophead panicles with a unique "quilted" effect. As the bloom ages, it turns a nice shade of green that lasts through most of the summer. Native.*

USDA 5, AHS 9, 6-8', gr 1, summer bloom, fall foliage

Item #: 40594 - 4" • 40595 - Quick Turn

GATSBY PINK® (*H. q.* 'JoAnn' pp#27,879, cbr#5639)

A remarkable oakleaf that boasts big showy blooms that quickly transform from pure white to an incredible rich pink. The dark green foliage turns mahogany-red in autumn. Another great plant developed by Powell Gardens of Kingsville, MO. Native.

USDA 5, AHS 9, 6-8', gr 1, summer bloom, fall foliage

Item #: 40684 - 4" • 40685 - Quick Turn

GATSBY STAR® (*H. q.* 'Doughill' pp#25,412, cbr#5305)

It's got star power! Doubled blooms are similar to those of 'Snowflake', but the individual petals are pointed instead of rounded. The result is a beautiful, lacy panicle – and a very showy plant. Native.*

USDA 5, AHS 9, 6-8', gr 1, summer bloom, fall foliage

Item #: 40984 - 4" • 40985 - Quick Turn

'Little Honey' (pp#15,477)

The foliage of this branch sport of the dwarf selection 'Pee Wee' emerges gold and then changes to a pleasing chartreuse as the season progresses. Brilliant red autumn foliage. Discovered by Peter Catt of the UK. Native.

USDA 5, AHS 9, 3-4', gr 1.5, summer bloom, fall foliage

Item #: 40714 - 4"

'Munchkin'

Developed by the U.S. National Arboretum, 'Munchkin' has a compact form and dense habit that makes it ideal for use in residential landscapes. Abundant white inflorescences appear in early summer, and gradually turn medium pink. The dark green foliage turns mahogany-red in fall. Native. Award: Theodore Klein Award.

USDA 5, AHS 9, 3' tall, gr 1.5, summer bloom, fall foliage

Item #: 40744 - 4"

'Pee Wee'

This very desirable dwarf selection has abundant white flower heads in early to mid-summer and excellent wine red autumn foliage. Its low compact habit is great for smaller gardens. Discovered by Richard Scott and Russell Blue of Alabama Nursery. Native. Awards: Theodore Klein.

USDA 5, AHS 9, 4-5', gr 1.5, summer bloom, fall foliage

Item #: 40804 - 4"

'Ruby Slippers'

A lovely plant whose white summer flowers quickly turn pale pink, then deepen to rose, and are held upright above the foliage. Flowers may reach 9 inches in length. Mahogany-red color in fall. The compact habit and large, upright inflorescences make it well-suited for residential gardens. Developed by the USNA from a cross of 'Snow Queen' and 'Pee Wee'. Native.

USDA 5, AHS 9, 3-3.5', gr 1, summer bloom, fall foliage

Item #: 40874 - 4"

'Snow Queen'

Large, tightly packed, pure white panicles are held upright to create a unique summer flower display; they then fade to light pink. Leathery leaves have a superb burgundy color. Selected by William Flemer III. Native. Awards: GMPA, PSC.

USDA 5, AHS 9, 7-10', gr 1, summer bloom, fall foliage

Item #: 40974 - 4"

Tiny TUFF STUFF™ Hydrangea

TUFF STUFF™ Hydrangea

TUFF STUFF™ Red Hydrangea

TUFF STUFF AH-HA® Hydrangea

Hydrangea serrata • Mountain Hydrangea

Family: Hydrangaceae (serrata: serrated or toothed, referring to the leaves)

H. serrata is native to mountainous regions of Asia and Japan, and is better suited to cold conditions than its close relative *H. macrophylla*, which is native to milder coastal regions. The outstanding bud hardiness of *H. serrata* makes it an especially promising species, but the Tuff Stuff™ series do it one better, adding reblooming to the mix.

Tiny TUFF STUFF™ (H. s. 'MAKD' pp#24,842, cbr#5125)

This is a real beauty, with flowers so delicate and refined that it seems strange to call them tough. But they are. Extremely bud-hardy, this rebloomer reliably produces abundant lacecap flowers comprised of doubled sepals. While this plant leans blue, the flower color may range from blue to pink.

USDA 5, AHS 9, 1.5 - 2', gr 0.5, summer rebloomer 🌞 ☁️ 🌸 🌺

Item #: 43904 - 4" • 43905 - Quick Turn

TUFF STUFF™ (H. s. 'MAK20' pp#24,820, cbr#4527)

Our hydrangea breeding goal was to deliver improved bud and stem hardiness in addition to the ability to flower on new wood. This serrata delivers on both accounts. Its attractive, reddish-pink, lacecap flowers create a mass of color in early summer. It continues to produce new buds and flowers right up until frost. The semi-double to double florets open with creamy coloration in the center before maturing to an intense pink. Award: Gold Medal Plantarium 2012, 2017 Shrub Madness® champion.

USDA 5, AHS 9, 2-3', gr 0.5, summer rebloomer 🌞 ☁️ 🌸 🌺

Item #: 43874 - 4" • 43875 - Quick Turn • 43875PB - Pre-budded

TUFF STUFF™ Red (H. s. 'SMNMAKTSR' pp#28,672, cbr#af)

Get the improved bud and stem hardiness, the reblooming habit, and the double lace cap flowers of the original Tuff Stuff™ hydrangea, but in dark red-pink. Flowers open up a two-toned green and red and then mature to red. Strong stems give this mounded hydrangea appeal both in the container and the garden.

USDA 5, AHS 9, 2-3', gr 0.5, summer rebloomer 🌞 ☁️ 🌸 🌺

Item #: 43854 - 4" • 43855 - Quick Turn • 43855PB - Pre-budded

TUFF STUFF AH-HA® (H. s. 'SMNHSDDD' ppaf, cbr#af)

A standout plant in our field and container trials, this beauty has dinner plate-sized blooms encircled with large, pastel, waterlily-like double flowers of blue or pink. It is one of our strongest rebloomers so it is nearly always in flower during the season.

USDA 5, AHS 9, 2-3', gr 1, summer bloom 🌞 ☁️ 🌸 🌺

Item #: 41954 - 4" • 41955 - Quick Turn

TWIRLIGIG™ (H. s. 'Shojo')

An amazingly reliable bloomer with beautiful swirls of soft pink sterile florets encircle the rich pink fertile flowers in a parade of twirling blooms. This tough, bud hardy hydrangea is very showy, and has great potential for retail sales. An excellent landscape plant!

USDA 5, AHS 9, 4-5', gr 0.5, summer bloom 🌞 ☁️ 🌸 🌺

Item #: 42674 - 4"

Hypericum • St. John's-Wort

Family: Hypericaceae (Hypericum: Greek name describing a heath-like habit)

'Albury Purple' (H. androsaemum)

Rich velvety purple leaf tips, yellow flowers and attractive dark red fruit give it special appeal. Low mounding habit makes it perfect for mass plantings.

USDA 6, AHS 8, 18-24", gr 0.5, summer bloom 🌞 🌻 🌺

Item #: 45002 - 2 1/4" • 45004 - 4"

BLUES FESTIVAL® (H. kalmianum 'SMHKBF' pp#25,795, cbr#5306)

Looking for a better blue? This is it. Attractive blue leaves contrast with bright yellow flowers in July and August - a very appealing combination. Tightly branched, compact growth and a long bloom time makes this a good native plant for landscaping, and gives it great container presentation at retail, too. Native.

USDA 4, AHS 8, 2-3', gr 1, summer bloom 🌞 🌻 🌺

Item #: 45482 - 2 1/4" • 45484 - 4" • 45485 - Quick Turn

'Sunburst' (*H. frondosum*)

Charming blue-green foliage is overlaid in summer with an abundance of large, bright yellow flowers. Native. Award: PSC.

USDA 5, AHS 8, 3', gr 1, summer bloom   

Item #: 45242 - 2 1/4" • 45244 - 4"

SUNNY BOULEVARD® (*H. x 'Deppe'* pp#20,045, cbr#3587)

This tightly branched shrub is noted for its long bloom time, beginning in July and continuing until September. The rich yellow flowers are small but numerous, and the leaves are willow-like. Native.

USDA 4, AHS 8, 2-3', gr 1, summer bloom   

Item #: 45172 - 2 1/4" • 45174 - 4" • 45175 - Quick Turn

TWIRLIGIG™ Hydrangea

Ilex crenata • Japanese Holly

Family: Aquifoliaceae (crenat- a: notched)

BRASS BUCKLE® (*I. c. 'ANNYS1'* pp#26,997)

Cute as a button, this diminutive, finely textured Japanese holly shines all year long with glossy, clear yellow, burn resistant foliage. Perfect for patio containers, edging walks and borders or for mass planting. We prefer the clear, bright color of this plant to that of other varieties. Developed by Andre van Nijnatten of the Netherlands.

USDA 6, AHS 8, 12-18", gr 1, evergreen  

Item #: 46402 - 2 1/4" • 46404 - 4" • 46405 - Quick Turn

BLUES FESTIVAL® Hypericum

SUNNY BOULEVARD® Hypericum

'Sky Pencil'

Tight columnar growth looks like a pencil reaching for the sky.

USDA 6, AHS 8, 10', gr 1, evergreen  

Item #: 46422 - 2 1/4" • 46424 - 4"

PATTI-O BOX™ (*I. c. 'FARROWSK6'* pp#25,852)

Another great plant from Maryland plantsman Mike Farrow. Narrow than its sister, Sky Box™, Patti-O Box™ ilex has smaller, darker leaves and glossier foliage. Much darker than typical *I. crenata*, this space-saving evergreen is scaled for smaller gardens and patios, and is perfect for selling in pairs to flank a formal entry. Its upright habit also makes it an excellent evergreen hedge or boxwood replacement.

USDA 6, AHS 8, 4-5', gr 1, evergreen  

Item #: 46552 - 2 1/4" • 46554 - 4" • 46555 - Quick Turn

BRASS BUCKLE® Ilex

'Soft Touch'

Dr. Mike Dirr insisted we offer this selection. Just like the name says - it has a pleasing soft texture! Small compact globe form with lustrous, dark green foliage.

USDA 6, AHS 8, 3-4', gr 1, evergreen  

Item #: 46452 - 2 1/4" • 46454 - 4"

SKY BOX™ (*I. c. 'Farrowone'* pp#20,049)

Add some architecture to your garden or decorative container with this narrow, conical seedling of 'Sky Pencil' holly. Shiny, dark evergreen leaves and tight upright branching make this a must-have plant. It was selected for its superior production performance by Mike Farrow of Holly Hill Farms, Earleville, MD.

USDA 6, AHS 8, 4-5', gr 1, evergreen  

Item #: 46362 - 2 1/4" • 46364 - 4" • 46365 - Quick Turn

Ilex glabra • Inkberry Holly

Family: Aquifoliaceae (glabra: smooth or bald; lacking hairs)

'Compacta'

A great alternative to boxwood, it has glossy dark green foliage and a broad pyramidal form. Branching is compact right down to the ground, never looking naked or leggy. An F&F Nursery selection. Native.

USDA 5, AHS 9, 3-4', gr 1, evergreen   

Item #: 46792 - 2 1/4" • 46794 - 4"

'Densa'

A wonderful, hardy plant with glossy dark green foliage, it has a broad, upright habit. Holds its foliage right down to the ground. Native. Award: GMPA.

USDA 5, AHS 9, 3-4', gr 1, evergreen ☀️ 🌧️ 🍷

Item #: 46902 - 2 1/4" • 46904 - 4"

PW PROVEN WINNERS GEM BOX® (I. g. 'SMNIGAB17' pp#27,554, cbr#5629)

Ideal boxwood substitute! This dense, ball-shaped plant has small, dainty, dark green leaves with attractive red tips during the spring flush. Maintains good branching right to the ground so it never looks bare legged like other cultivars. Great as a small evergreen hedge or as a container specimen. Female variety develops black fruits if a pollinator is in the vicinity. Native.

USDA 5, AHS 9, 2-3', gr 1, evergreen ☀️ 🌧️ 🍷

Item #: 47252 - 2 1/4" • 47254 - 4" • 47255 - Quick Turn

PW PROVEN WINNERS STRONGBOX® (I. g. 'Ilexfarrowtracey' ppaf, cbrf)

If it weren't for its dark green foliage, you would have a hard time telling this compact native shrub from a boxwood. Maintains good branching right to the ground, so it never looks bare legged like other cultivars. Great for small evergreen hedges or as a container specimen. Easily sheared in to balls, boxes, or tuna cans.

USDA 5, AHS 9, 2-3', gr 1, evergreen ☀️ 🌧️ 🍷

Item #: 46972 - 2 1/4" • 46974 - 4" • 46975 - Quick Turn

'Shamrock'

A standout with bright glossy green foliage and a compact upright habit. Native.

Item #: 48962 - 2 1/4" • 48964 - 4"

NEW

CASTLE KEEP™ (I. x meserveae 'SMNIFA' ppaf, cbrf)

Classic looking, but soft to the touch, the mysterious dark green foliage always caught our eye in our Ilex trial. A dense, well-branched broadleaf evergreen perfect for shapping into balls or low hedging. Red autumn and winter fruit when planted near male Castle Wall® ilex.

USDA 5, AHS 7, 3-5' by 3-4', gr 1, evergreen ☀️ 🌧️ ✂️

Item #: 49832 - 2 1/4" • 49834 - 4" • 49835 - Quick Turn

PW PROVEN WINNERS CASTLE SPIRE® (I. x m. 'Hachfee' pp#14,310)

A beautiful compact, pyramidal blue holly with large, lustrous, dark green leaves, bright red berries and superior branching. A great foundation, specimen or hedge plant and alternative to 'Capitata' yew. Use Castle Wall® ilex as the pollinator. Hybridized by Holger Hachmann, the renown rhododendron breeder of Holstein, Germany.

USDA 5, AHS 7, 8-10', gr 1, evergreen ☀️ 🌧️ ✂️

Item #: 49032 - 2 1/4" • 49034 - 4" • 49035 - Quick Turn

CASTLE WALL® (*I. x m.* 'Heckenstar' pp#14,308)

A broad-columnar shaped, male blue holly with lustrous dark green leaves and superior, compact branching. Also pollinator for Castle Spire® and Castle Keep™ ilex. A great foundation, specimen or hedge plant that can be used as you would Hicks yew. A Holger Hachmann hybrid. Award: Bronze Medal Royal Boskoop Horticulture Society.

USDA 5, AHS 7, 5-8', gr 1, evergreen   

Item #: 49012 - 2 1/4" • 49014 - 4" • 49015 - Quick Turn

BERRY HEAVY® Ilex

RED BEAUTY® (*I. x* 'Rutzan' pp#14,750)

A distinctive holly that combines dark glossy foliage with an abundance of bright red fruit, it is very densely branched, with a narrow conical form. 'Blue Prince' is a suitable pollinator. A cross between *I. x meserveae* and *I. pernyi* developed by Elwin Orton of Rutgers University.

USDA 5, AHS 9, 5-8', gr 1.5, evergreen   

Item #: 49762 - 2 1/4" • 49764 - 4"

Ilex verticillata • Winterberry Holly

Family: Aquifoliaceae (verticill-ata: whorled leaf arrangement)

BERRY HEAVY® (*I. v.* 'Spray')

Large, bright orange-red berries put on a spectacular winter show. We watched this plant for years, and believe it rivals all other winterberry selections for its sheer volume of fruit. Leaves drop earlier, resulting in a better fruit display. Use Mr. Poppins® ilex as the male. Selected by Dale Deppe. Native.

USDA 3, AHS 9, 6-8', gr 1.5, winter interest    

Item #: 48082 - 2 1/4" • 48084 - 4" • 48085 - Quick Turn

BERRY HEAVY® Gold (*I. v.* 'Roberta Case')

Strike it rich with Berry Heavy® Gold, the winterberry with the biggest, brightest gold fruit yet. You will treasure this plant for gardens, mass plantings or as a cut branch. Selected by the late, great plantsman and conservationist Fred Case of Saginaw, Michigan. Use Mr. Poppins® ilex as pollinator. Native.

USDA 3, AHS 9, 6-8', gr 1.5, winter interest    

Item #: 48352 - 2 1/4" • 48354 - 4" • 48355 - Quick Turn

BERRY POPPINS® (*I. v.* 'FARROWBPOP' pp#25,835, cbr#5286)

An excellent, heavy fruiting dwarf winterberry, Berry Poppins® is ideal for gardeners who want bright winter color and fruit for cutting but don't have room for a typical *I. verticillata*. It is heavier fruiting than 'Red Sprite.' Use Mr. Poppins® ilex as pollinator. Native.

USDA 3, AHS 9, 3-4', gr 1.5, winter interest    

Item #: 48152 - 2 1/4" • 48154 - 4" • 48155 - Quick Turn

MR. POPPINS® (*I. v.* 'FARROWMRP' pp#25,834, cbr#5287)

Pollinator for female Proven Winners® *Ilex verticillata* varieties. Native.

Lagerstroemia indica • Crapemyrtle

Family: Lythraceae (Lagerstroem-ia: Named after Magnus Lagerstroem, a friend of Carl Linnaeus; indic-a, from India)

RIKKI TIKKI™ Series

Developed by Megan Mathey, this series of dwarf crapemyrtle is characterized by dense, rounded habits, attractive foliage, and saturated flower color. Whether planted as foundation landscaping or mixed into the perennial garden, they provide appealing pops of color.

NEW

RIKKI TIKKI™ Pink (L. indica 'SMNLIDS' ppaf)

A unique, dwarf plant with attractive foliage in hues of silver, burgundy-red, and green. Hot pink flowers are graced with bright yellow centers and are pleasingly proportional to the plant size. Excellent resistance to powdery mildew.

USDA 6, AHS 10, 3-5', gr 0.5, summer rebloomer
Item #: 54302 - 2 1/4" • 54304 - 4" • 54305 - Quick Turn

NEW

RIKKI TIKKI ROUGE™ (L. indica 'SMNLIMG' ppaf)

A dense, dwarf plant with rich red-pink flowers with contrasting yellow centers. The glossy foliage is a combination of green, red, and chocolate. Excellent resistance to powdery mildew.

USDA 6, AHS 10, 3-5', gr 0.5, summer rebloomer
Item #: 54342 - 2 1/4" • 54344 - 4" • 54345 - Quick Turn

INFINITINI® Series

These dwarf crapemyrtle were developed by noted plant breeder Dr. Mike Uchneat, the inventor of Wave® petunia and Dragon Wing® begonia. The breeding goal was to develop small, container-friendly shrubs that could quickly be grown from a spring liner to a finished, saleable, heavy-blooming plant in the same season. Mission accomplished – and with exceptional hardiness, to boot.

INFINITINI® Brite Pink (L. i. 'G2X133143' pp#27,452)

More flowers, less space! A ball of bright pink flowers that bloom all summer long.

USDA 6, AHS 10, 2-4', gr 0.5, summer rebloomer
Item #: 53582 - 2 1/4" • 53584 - 4" • 53585 - Quick Turn

INFINITINI® Magenta (L. i. 'G2X133271' pp#27,474)

A heavy blooming, dense, mounded plant with rich, dark pink-red blooms and clean foliage.

USDA 6, AHS 10, 2-4', gr 0.5, summer rebloomer
Item #: 53622 - 2 1/4" • 53624 - 4" • 53625 - Quick Turn

INFINITINI® Orchid (L. i. 'G2X133251' pp#27,633)

This compact, low-arching plant has loads of showy lavender-purple flowers. This plant fits easily into landscapes and container designs.

USDA 6, AHS 10, 2-4', gr 0.5, summer rebloomer
Item #: 53302 - 2 1/4" • 53304 - 4" • 53305 - Quick Turn

INFINITINI® Purple (L. i. 'G2X13368' ppaf)

Abundant dark purple blooms adorn this compact crapemyrtle with an extended bloom time. A die-back shrub in the colder part of its hardiness range, but will regrow and flower without fail, as we have seen in our USDA zone 6a trial gardens.

USDA 6, AHS 10, 3-5', gr 0.5, summer rebloomer
Item #: 53022 - 2 1/4" • 53024 - 4" • 53025 - Quick Turn

INFINITINI WATERMELON® (L. i. 'G2X133181' pp#29,007)

An abundance of luscious watermelon-pink blooms adorn this dwarf, low mounded crapemyrtle. Extra hardy and strong blooming, this plant is great in production and has outstanding presentation in the container. It is a dieback shrub in colder regions but grows back quickly and flowers on new wood.

USDA 6, AHS 10, 2-4', gr 0.5, summer rebloomer
Item #: 53592 - 2 1/4" • 53594 - 4" • 53595 - Quick Turn

INFINITINI® White (L. i. 'G2X13377' ppaf)

A compact plant with pure white flowers over an extended bloom time. A die-back shrub in the colder parts of its hardiness range, but will regrow and flower later in the season without fail. An excellent production plant with outstanding container presentation.

USDA 6, AHS 10, 3-4', gr 0.5, summer rebloomer
Item #: 53102 - 2 1/4" • 53104 - 4" • 53105 - Quick Turn

DOUBLE DYNAMITE® (L. i. 'WHIT X' pp#27,085)

This new Dr. Whitcomb variety would be notable simply for its vivid cherry-red flowers and deep red-purple foliage, but its ability to bloom continuously on the same panicle make it extraordinary. Enjoy over 100 days of bloom on a dense, disease-resistant shrub.

USDA 7, AHS 10, 8-10', gr 1, summer rebloomer

Item #: 52212 - 2 1/4" • 52214 - 4"

DOUBLE FEATURE® (L. i. 'Whit IX' pp#23,559)

This semi-dwarf, reblooming crapemyrtle has wine-red new growth and abundant ruby-red blooms. It flowers from late June to October, and does not produce seed. A Dr. Whitcomb variety.

USDA 7, AHS 10, 6-8', gr 1, summer rebloomer

Item #: 52792 - 2 1/4" • 52794 - 4"

DYNAMITE® (L. i. 'Whit II' pp#10,296)

This is the first true red tree-form crapemyrtle, producing cherry red flowers even in full sun and heat. Crimson new growth. Upright form. High mildew resistance. A Dr. Whitcomb variety.

USDA 7, AHS 10, 10-15', gr 1, summer rebloomer

Item #: 52642 - 2 1/4" • 52644 - 4"

PINK VELOUR® (L. i. 'Whit III' pp#10,319)

Flashy pink flowers and distinct dark wine foliage which peaks in the spring. High mildew resistance. Showy, wine-colored foliage provides interest before blooming. Awards: 2003 Oklahoma Proven selection, GMPA.

USDA 7, AHS 10, 10-12', gr 1, summer rebloomer

Item #: 52552 - 2 1/4" • 52554 - 4"

RED ROCKET® (L. i. 'Whit IV' pp#11,342)

Like Dynamite® crapemyrtle, it produces cherry red flowers in hot sunny conditions. New growth is crimson, then dark green. Upright form. Highly resistant to mildew and anthracnose. Huge flower clusters up to 24" tall. May repeat bloom more than Dynamite crapemyrtle. A Dr. Whitcomb variety.

USDA 7, AHS 10, 10-15', gr 1, summer rebloomer

Item #: 52682 - 2 1/4" • 52684 - 4"

Laurus nobilis • Sweet Bay

Family: Lauraceae (Laur-us: from the ancient Latin name for laurel)

SICILIAN SUNSHINE® (L. n. 'LNSS')

The next big thing for warm climate landscapes! Uniformly crisp chartreuse to gold fragrant foliage sets this sweet bay apart from traditional cultivars. It has stronger and more consistent gold color than 'Aurea'. Attractive red petioles contribute additional color.

USDA 8, AHS 10, 4-10', gr 1.5, foliage interest

Item #: 52602 - 2 1/4" • 52604 - 4" • 52605 - Quick Turn

SICILIAN SUNSHINE® Laurus

GOLDEN TICKET® *Ligustrum*

'Scentsation' *Lonicera*

Leptodermis • Leptodermis

Family: Rubiaceae (Lepto-dermis: slender skin)

L. oblonga

Attention plant geeks! This nifty shrub deserves to be better known. Fragrant blooms resemble lilacs, appearing in late spring and continuing until frost. Habit is tidy and low-mounding for a variety of landscape applications.

USDA 5, AHS 8, 1-1.5', gr 1, spring rebloomer    

Item #: 52702 - 2 ¼" • 52704 - 4"

Ligustrum • Privet

Family: Oleaceae (Ligust-rum: ancient Latin name for privet)

GOLDEN TICKET® (*L. x 'NCLX1'* pp#27,301, cbr#5560)

Enjoy all the fragrance and color of this landscape classic without the problems associated with invasive privet. Dr. Thomas Ranney of NCSU made wide interspecific crosses to create this this compact, colorful, eco-friendly flowering shrub. Great as a hedge, specimen, container plant, or even as a cut branch.

USDA 5, AHS 9, 4-6', gr 1, spring bloom     

Item #: 53782 - 2 ¼" • 53784 - 4" • 53785 - Quick Turn

Lonicera periclymenum • Honeysuckle

Family: Caprifoliaceae (Lonic-era: after Adam Lonitzer, 1528-1586, German physician and naturalist, peri-clymenum: Greek for "twining plant")

'Scentsation' (*L. p. 'Scentsation'* pp#16,240)

The name says it all! A very showy vine with extremely fragrant yellow flowers from mid-spring to late summer, followed by bright red berries. This floriferous honeysuckle has a very long bloom time, and is a wonderful addition to summer gardens, especially when trained up a trellis or across a fence. Non-invasive. Award: Climbing plant of the year 2016, Le Rendez-vous Horticole, Montréal.

USDA 4, AHS 9, 10', gr 1, spring rebloomer     

Item #: 54232 - 2 ¼" • 54234 - 4" • 54235 - Quick Turn

Lonicera caerulea

Sweetberry Honeysuckle, Haskaps

(Cae-rulea: dark blue)

Little known outside of Japan and Eastern Europe, this tasty superfruit with its flavor of raspberries and blueberries deserves to be better known – and more widely grown. Its small, dark blue fruit has big potential for eating fresh or making into sauces, jam, ice cream, and smoothies. Though it looks like an elongated blueberry, it's so much easier to grow: super hardy, not at all fussy about soil or pruning. These are true Vitamin Berries® with more vitamin C, potassium, and fiber than citrus. They have an extremely high ORAC value with exceptional levels of anthocyanins, polyphenols and bioflavonoids. Perhaps most importantly, they taste great.

We are pleased to offer two unique series of this special fruit: the Sugar Mountain® series comes from Eastern Europe and has more elongated fruit that is excellent for eating fresh or drying. The Yezberry® series was developed in the United States with germplasm from Hokkaido, Japan's northernmost island. Yezberry® haskaps bloom later, so their flowers are less susceptible to frost damage. They have larger, plumper fruit that is great fresh and especially good for processing into sauces, jam, or juice.

SUGAR MOUNTAIN® Blue (*L. c. 'Dolce Vita'* pp#26,617, cbraf)

This is one of the sweetest varieties we've tasted, making it perfect for eating fresh. Developed in the Czech Republic, it bears big, sweet, tasty berries on an easy to grow hedge plant. This special selection is apomictic, meaning it will fruit without pollination; however, you'll get larger fruit if the plant is cross-pollinated with Sugar Mountain® Eisbär. Award: Retailers Choice, Cultivate 2014.

USDA 3, AHS 6, 5-6', gr 1, summer fruit    

Item #: 54782 - 2 ¼" • 54784 - 4" • 54785 - Quick Turn

SUGAR MOUNTAIN® Eisbär (*L. c. '54-57'*)

Large, tangy-sweet fruits, up to 1.5" long and 0.5" wide. Use to pollinate Sugar Mountain® Blue Lonicera. It is a great variety for drying and processing. Low maintenance and easy to grow.

USDA 3, AHS 6, 5-6', gr 1, summer fruit    

Item #: 54532 - 2 ¼" • 54534 - 4" • 54535 - Quick Turn

YEZBERRY HONEY BUNCH® (L. c. 'Kaido' pp#28,662, cbraf)

Very sweet fruit on a compact plant that is better suited to the home landscape. Perfect for eating fresh, freezing, and processing. Developed by Maxine Thompson. Use another Yezberry® variety as a pollinator.

USDA 3, AHS 7, 3-5', gr 1, summer fruit ☀️ 🌧️ 🍷 🍴

Item #: 54882 - 2 1/4" • 54884 - 4" • 54885 - Quick Turn

YEZBERRY® MAXIE™ (L. c. 'Kuchi' pp#28,622, cbraf)

This Japanese haskap variety has the largest fruit we've ever seen: blue berries resemble olives in size and shape. It is a large plant similar in shape to Yezberry® Solo™ Japanese haskap, giving very good yields and making harvesting easier. Requires another Yezberry® selection for cross pollination and fruit set.

USDA 3, AHS 7, 5-6', gr 1, summer fruit ☀️ 🌧️ 🍷 🍴

Item #: 54902 - 2 1/4" • 54904 - 4" • 54905 - Quick Turn

YEZBERRY® SOLO™ (L. c. 'Kapu' pp#26,820, cbraf)

A Japanese haskap with very large, plump berries on a big plant, ensuring high yields and easier harvesting. This special selection is apomictic, meaning it will fruit without a pollinator present, though cross pollination with another Yezberry® variety ensures larger fruit and better yields. Good for eating fresh or for processing in to sauces, jam or jelly.

USDA 3, AHS 7, 5-6', summer fruit ☀️ 🌧️ 🍷 🍴

Item #: 54912 - 2 1/4" • 54914 - 4" • 54915 - Quick Turn

YEZBERRY SUGAR PIE® (L. c. 'Hoka' pp#28,593, cbraf)

The most compact haskap is ideal for residential landscapes! Enjoy the large, sweet fruit fresh, frozen, or processed. Developed by Maxine Thompson. Use another Yezberry® variety as a pollinator.

USDA 3, AHS 7, 3-4', gr 1, summer fruit ☀️ 🌧️ 🍷 🍴

Item #: 54892 - 2 1/4" • 54894 - 4" • 54895 - Quick Turn

JAZZ HANDS BOLD™ Loropetalum

JAZZ HANDS® Dwarf Pink Loropetalum

JAZZ HANDS MINI™ Loropetalum

JAZZ HANDS NIGHT MOVES® Loropetalum

JAZZ HANDS® Dwarf White Loropetalum

Loropetalum chinense • Chinese Fringe-flower

Family: Hamamelidaceae (Loro-petalum: Greek for strap-like petals)

A new series of vigorous loropetalum with outstanding form, flowers, and foliage. The series offers a range of plant sizes to meet every landscape application. The purple leaf selections all hold their rich color through the summer, never fading to green like other varieties.

JAZZ HANDS BOLD™ (L. c. 'Kurenai Daiou' pp#27,748)

An eye-catching shrub with extra big, round, purple leaves that flush pink to provide a unique contrast. The rich pink flowers are larger than any other loropetalum.

USDA 7b, AHS 9, 5-6', gr 1, spring/summer bloom    

Item #: 53462 - 2 1/4" • 53464 - 4" • 53465 - Quick Turn

JAZZ HANDS® Dwarf Pink (L. c. 'Kurenai' pp#27,750)

Cool purple foliage has a cranberry undercurrent that contrasts beautifully with the hot pink blooms. This showy little dwarf plant is a great partner for Jazz Hands® Dwarf White loropetalum.

USDA 7b, AHS 9, 1-3', gr 1, spring/summer bloom    

Item #: 53512 - 2 1/4" • 53514 - 4" • 53515 - Quick Turn

JAZZ HANDS® Dwarf White (L. c. 'Hakuou' pp#27,751)

The best-looking white flowered loropetalum we've ever seen. This selection has rich dark green leaves and large pure white flowers that burst forth in spring. A repeat bloomer with sporadic flowers throughout summer. Its dwarf habit makes it a perfect pairing with Jazz Hands® Dwarf Pink loropetalum.

USDA 7b, AHS 9, 1-3', gr 1, spring/summer rebloom    

Item #: 53502 - 2 1/4" • 53504 - 4" • 53505 - Quick Turn

JAZZ HANDS NIGHT MOVES® (L. c. 'Suzuki' pp#27,752)

Fun and whimsical, Jazz Hands Night Moves is a unique and colorful combination of white flowers and purple variegated foliage. It makes a nice container and has very good impulse appeal in the garden center.

USDA 7b, AHS 9, 2-4', gr 1, spring/summer bloom    

Item #: 53532 - 2 1/4" • 53534 - 4" • 53535 - Quick Turn

JAZZ HANDS MINI™ (L. c. 'Beni Hime' pp#27,752)

A new ground covering dwarf loropetalum with black-purple foliage that holds its color all season long. Showy pink flowers contrast with the dark, rich foliage making it a wonderful little shrub for the front of the border, or in a decorative container.

USDA 7b, AHS 9, 10-12", gr 1.5, spring/summer bloom    

Item #: 53412 - 2 1/4" • 53414 - 4" • 53415 - Quick Turn

JAZZ HANDS VARIEGATED™ (L. c. 'Irodori' pp#27,713)

The first ever variegated loropetalum, this beauty has dark purple foliage with new growth that is punctuated with splashes of pink and white variegation; vivid pink flowers appear in spring. A charming plant that can be used as a specimen or as a hedge. Award: Retailers Choice, SNA

USDA 7b, AHS 9, 4-6', gr 1, spring/summer bloom    

Item #: 53422 - 2 1/4" • 53424 - 4" • 53425 - Quick Turn

Jazz Hands® Series Size Comparison Chart

Lycium • Goji Berry

Family: Solanaceae (Lyci-um: Ancient Greek name for a thorny bush, re-adapted by Linnaeus)

Superfruits – exceptionally nutritious berries, like gojis – are in demand, and they can be as close as your backyard. Our selection of exceptionally productive cultivars are easily grown in full sun, although staking is recommended for best container presentation, landscape habit, and ease of harvest.

NEW

RED ZEPPELIN™ (*L. barbarum* 'SMNLBBB' ppaf, cbraf)

Super easy to grow, this new goji was selected for its high yields of large, red, football-shaped fruit. Very easy to harvest! Great dried and dipped in chocolate.

USDA 5, AHS 9, 10', gr 1, summer bloom

Item #: 55012 - 2 ¼" • 55014 - 4" • 55015 - Quick Turn

Big LIFE BERRY® (*L. b.* 'SMNDBL')

Extra-large fruit makes for easy harvesting.

USDA 5, AHS 9, 10', gr 1, summer bloom ☀️ 🌧️ 🌬️ 🚫 🌻

Item #: 55052 - 2 ¼" • 55054 - 4" • 55055 - Quick Turn

Sweet LIFE BERRY® (*L. b.* 'SMNDSL')

Fruit becomes especially sweet when dried.

USDA 5, AHS 9, 10', gr 1, summer bloom ☀️ 🌧️ 🌬️ 🚫 🌻

Item #: 55062 - 2 ¼" • 55064 - 4" • 55065 - Quick Turn

Magnolia • Magnolia

Family: Magnoliaceae (Magnol-ia: bears the name of Pierre Magnol, French botanist)

'Ann'

Deep purplish-red blooms appear later than most magnolias, thus are less apt to get nipped by frost. Big, lily-like flowers often repeat during the summer. Awards: PSC.

USDA 4, AHS 9, 8-12', gr 1.5, spring bloom ☀️ 🌧️ 🌬️ 🚫 🌻

Item #: 55852 - 2 ¼" • 55854 - 4"

'Leonard Messel' (*M. kobus* var. *loebneri*)

A magnificent large shrub/small tree with rose purple buds that open pale pink. Very hardy. Originated at Nymans, the Messel family estate in Sussex, UK.

USDA 5, AHS 9, 15-20', gr 1.5, spring bloom ☀️ 🌧️ 🌬️ 🚫 🌻

Item #: 56092 - 2 ¼" • 56094 - 4"

'Royal Star' (*M. stellata*)

A superior, vigorous selection of *M. stellata*. Pink buds unfold to pure white, revealing 25 to 30 petals.

USDA 4, AHS 9, 10-15', gr 1.5, spring bloom ☀️ 🌧️ 🌬️ 🚫 🌻

Item #: 55602 - 2 ¼" • 55604 - 4"

Microbiota • Siberian Cypress

Family: Cupressaceae (Micro: small; biota: old pseudonym for *Thuja*)

CELTIC PRIDE® (*M. decussata* 'Prides')

Siberian cypress is a hardy, low-growing evergreen for sun or shade, but the species is often plagued with unsightly tip dieback. This selection solves that, as it has superior disease resistance and winter color. Very hardy and shade tolerant.

USDA 2, AHS 7, 1-3', gr 1, evergreen ☀️ 🌧️ 🌬️ 🚫 🌻

Item #: 57144 - 4" • 57145 - Quick Turn

decussata

Hardy to -50°F, this plant looks like a cross between a creeping juniper and a fern. Graceful, bright green foliage turns russet-copper in winter.

USDA 2, AHS 7, 1-3', gr 1, evergreen ☀️ 🌧️ 🌬️ 🚫 🌻

***Osmanthus heterophyllus* • False holly**

Family: Oleaceae (Osm-anthus: Greek for fragrant flower; hetero-phyllus: varying leaves)

'Goshiki'

The name means "five colors" in Japanese, and you'll count at least that many on the flashy foliage of this versatile evergreen, especially in spring. Small white flowers in autumn make an impact primarily through their intense fragrance. Introduced by Barry Yinger.

USDA 6, AHS 9, 5-10', gr 1.5, evergreen     

Item #: 57424 - 4"

'Variegatus'

Clean green and white variegation make this handsome evergreen at home in formal or informal settings. Autumn brings small white flowers that emit a sweet fragrance. Can be shaped as desired, in production and in the landscape.

USDA 7, AHS 9, 6-12', gr 1.5, evergreen     

Item #: 57434 - 4"

***Parthenocissus quinquefolia* • Virginia Creeper**

Family: Vitaceae (Partheno: Greek for 'virgin'; kisso: ivy. Quinque: Latin for five; folia: leaves)

RED WALL® (*P. q.* 'Troki')

Good fences make for good neighbors, but fences can be downright ugly. Red Wall Virginia creeper was selected to dress up those miles of stockade fence going up each year. This native vine has glossy, dark green foliage that transforms to fire-engine red in fall. This fast-growing and salt-tolerant vine is the easiest way to create a colorful "green wall." Native.

USDA 3, AHS 9, 20-30', gr 0.5, fall foliage  

Item #: 57614 - 4" • 57615 - Quick Turn

***Philadelphus* • Mock Orange**

Family: Hydrangeaceae (Philadelph-us: after King Ptolemy Philadelphus)

ILLUMINATI TINY TOWER™ (*P. coronarius* 'SMNPVG' ppaf, cbraf)

A truly unique and striking shrub with dense, upright branching and notable dark green foliage. Stems are punctuated in late spring with vertical rows of highly fragrant flowers, creating a four-sided tower effect.

USDA 4, AHS 7, 3-4' tall and 1.5' wide, gr 1

late spring bloom     

Item #: 58072 - 2 ¼" • 58074 - 4" • 58075 - Quick Turn

'Snowbelle'

A low grower with a compact habit, loaded with fragrant pure white, double flowers. Native.

USDA 4, AHS 8, 3-4', gr 1, late spring bloom     

Item #: 58182 - 2 ¼" • 58184 - 4"

'Snow Dwarf'

A Canadian selection noted for its dwarf habit and abundance of fragrant flowers. Flowers are pure white, up to 1½" in diameter. A great small border shrub. Developed by AGR Canada (Ottawa) so hardiness is a given. Native.

USDA 4, AHS 7, 2-3', gr 1, late spring bloom     

Item #: 58162 - 2 ¼" • 58164 - 4"

***Photinia* • Frasier Photinia**

Family: Rosaceae (Photin-ia: Ancient Greek for "shining one," referring to the glossy foliage)

PINK MARBLE® (*P. x fraseri* 'Cassini' pp#15,160, cbr#2046)

Red and pink new growth turns green with pink edges and splashes, eventually becoming green with white edges and splashes. The extraordinary foliage adds year-round color to landscapes.

USDA 6, AHS 9, 6-15' tall, gr 1, evergreen  

Item #: 59952 - 2 ¼" • 59954 - 4"

Physocarpus opulifolius • Ninebark

Family: Rosaceae (Physocarp-us: bladder-fruit; opuli-folius:
having foliage like Guelder-rose, aka *Viburnum opulus*)

COPPERTINA® (P. o. 'Mindia' pp#16,371, cbr#2892)

This cross between 'Dart's Gold' and Diabolo® flushes an attractive copper in spring and transforms to a rich red in summer. Developed by Minier of France. Native. Award: 2011 Cut Flower of the Year ASCFG.

USDA 3, AHS 7, 6-8', gr 1, late spring bloom   

Item #: 58342 - 2 1/4" • 58344 - 4" • 58345 - Quick Turn

FESTIVUS GOLD® (P. o. 'Bert Dart's G' pp#26,246, cbr#f)

An improved dwarf version of 'Dart's Gold' with extra bright gold foliage. It maintains its yellow coloration throughout the season and is great both in the landscape and at retail. Native.

USDA 3, AHS 7, 3-4', gr 1, late spring bloom   

Item #: 58582 - 2 1/4" • 58584 - 4"

GINGER WINE® (P. o. 'SMNPOBLR' pp#28,695, cbr#f)

A standout plant with rich hues of orange, red, and bright burgundy in summer. Large white flowers in late spring transform into bright red seed-heads for added interest. Sturdy stems and a compact upright growth habit make it excellent at retail and irresistible in the landscape. It has shown a very high level of mildew resistance. Native.

USDA 3, AHS 7, 5-6', gr 1, late spring bloom   

Item #: 59062 - 2 1/4" • 59064 - 4" • 59065 - Quick Turn

RED ROBE™ (P. o. 'Artboe401')

Yellow-orange spring foliage ages to burgundy-red as it matures. The white early summer flowers have a purple cast, and produce attractive red fruit in late summer and fall. Bright red seed heads age to a deep wine tone.

USDA 3, AHS 7, 6-8', gr 1, late spring bloom   

Item #: 58532 - 2 1/4" • 58534 - 4"

SUMMER WINE® (P. o. 'Seward' pp#14,821, cbr#2641)

This showy, hardy variety has pinkish-white flower clusters in mid-summer and has proven itself to be the most mildew-resistant dark-leaf physocarpus in trials at Longwood Gardens. It requires little pruning to make a salable plant and presents well in a pot. Native. Award: Theodore Klein Award University of Kentucky Arboretum.

USDA 3, AHS 7, 5-8', gr 1, late spring bloom   

Item #: 58402 - 2 1/4" • 58404 - 4" • 58405 - Quick Turn

SUMMER WINE® Black (P. o. 'SMNPMS' ppaf, cbr#f)

A striking new ninebark distinguished by its dark black foliage, the darkest yet. Its compact habit makes it an excellent container plant. Native.

USDA 3, AHS 7, 5-6', gr 1, late spring bloom   

Item #: 58362 - 2 1/4" • 58364 - 4" • 58365 - Quick Turn

TINY WINE® (*P. o.* 'SMPOTW' pp#26,749, cbr#5128)

Smaller than others in the market, dwarf Tiny Wine® ninebark is extra bushy, with small, refined leaves. The dark bronze-maroon foliage is colorful all season, and contrasts beautifully with the pinkish-white flowers in late spring. You'll also love its exceptional red fall foliage display and high mildew resistance. Native.

USDA 3, AHS 7, 3-5', gr 1, late spring bloom
Item #: 58502 - 2 1/4" • 58504 - 4" • 58505 - Quick Turn

TINY WINE® Gold (*P. o.* 'SMNPOTWG' pp28,857, cbraf)

A gold version of Tiny Wine® ninebark with the same bushy habit and small, refined leaves. This is a heavy blooming plant, especially when young, so makes a very nice container display in the garden center in spring. High mildew resistance. Native.

USDA 3, AHS 7, 3-5', gr 1, late spring bloom
Item #: 58232 - 2 1/4" • 58234 - 4" • 58235 - Quick Turn

***Pieris japonica* • Lily of the Valley Shrub**

Family: Ericaceae (Pier-is: from the word Pierides, the collective name for the muses of Greek mythology)

INTERSTELLA™ (*P. j.* 'FARROWJRF' ppaf, cbraf)

Call it lily of the valley shrub or call it andromeda, this new selection of the landscape favorite has pendulous terminal clusters of rich red flowers that age to pink. Star-like new growth on this broadleaf evergreen emerges brilliant red. Developed by Mike Farrow of Maryland.

USDA 5, AHS 8, 3-4' tall and wide, gr 1
early spring bloom
Item #: 58992 - 2 1/4" • 58994 - 4" • 58995 - Quick Turn

***Potentilla fruticosa* syn. *Dasiphora fruticosa*
Bush Cinquefoil**

Family: Rosaceae (Potent-illa: from the Greek potens meaning powerful, from reputed medicinal qualities; fruticosa: shrubby)

HAPPY FACE HEARTS™ (*P. f.* 'SMNPPS' ppaf, cbraf)

A unique display of rich pink flowers accentuated with a white star in the center of each bloom. A healthy, dense plant that holds its color well. Blooms from spring to fall. Native.

USDA 2, AHS 7, 1-2', gr 1, summer bloom
Item #: 59872 - 2 1/4" • 59874 - 4" • 59875 - Quick Turn

HAPPY FACE® Pink Paradise (*P. f.* 'Kupinpa' pp#22,732)

A better pink potentilla! The clear pink, semi-doubled flowers hold their color longer than other pink potentillas, although they may still fade under intense heat. This is an excellent choice for cooler climate gardeners who want low-maintenance flowers all summer long. Native.

USDA 2, AHS 7, 2-3', gr 1, summer bloom
Item #: 59602 - 2 1/4" • 59604 - 4" • 59605 - Quick Turn

HAPPY FACE® White (*P. f.* 'White Lady' pp#22,761)

Extra large, pure white flowers adorn this plant from spring to late summer. Native.

USDA 2, AHS 7, 2-3', gr 1, summer bloom
Item #: 59792 - 2 1/4" • 59794 - 4" • 59795 - Quick Turn

HAPPY FACE® Yellow (*P. f.* 'Lundy' pp#22,176, cbr#4912)

The big, bright flowers will stand out from all others, blooming in abundance from spring until late summer. The dense habit and dark, healthy foliage adds to its appeal. Native.

USDA 2, AHS 7, 2-3', gr 1, summer bloom
Item #: 59112 - 2 1/4" • 59114 - 4" • 59115 - Quick Turn

HAPPY FACE® Yellow Potentilla

ZUZU® Prunus

NEW

PEPPY LE POM™ Punica

Prunus incisa • Ornamental Cherry

Family: Rosaceae (Pru-nus: classical name for plum; incis-a: sharply or deeply cut)

'Kojo-No-Mai'

A delightful flowering cherry with distinctive zig-zag stems. Profuse, tightly clustered white flowers have pink centers. Maroon fall foliage. Originating from Japan, this is a perfect tree for small spaces and patios. Adaptable to most soils.

USDA 5, AHS 8, 3-4', gr 1.5, spring bloom ☀️ 🌧️ 🌸

Item #: 60344 - 4"

ZUZU® (P. i. 'Rinpo')

A dainty and petite shrubby ornamental cherry brought to us by Brian Upchurch. A spring bloomer with delicate, pure pink, fully double, carnation-like blooms. Small, neatly serrated leaves and congested branching create a dense, shrubby plant.

USDA 5, AHS 8, 3-5' gr 1, spring bloom ☀️ 🌧️ 🌸

Item #: 60232 - 2 1/4" • 60234 - 4" • 60235 - Quick Turn

Punica granatum • Pomegranate

Family: Lythraceae (Punic-a: from the ancient Roman word for the fruit)

NEW

PEPPY LE POM™ (P. g. 'SMNPGMF' ppaf, cbraf)

Meet the perfect summer patio plant. This cute new dwarf ornamental pomegranate is dainty and precocious. A long blooming shrub with tiny leaves, an abundance of bright orange flowers, and itty-bitty ornamental fruit. In the North, keep it on the patio for summer color, bringing it indoors for winter. Grow it in the ground in the South. Everyone can enjoy the amazing color and celebrated history of this unique shrub.

***Pyracomeles • Pyracomeles**

Family: Rosaceae (Intergeneric hybrid: Pyrac-, from Pyracantha; -omeles, from Osteomeles)

JUKE BOX® (xP. 'NCXP1' ppaf)

A remarkable new dwarf broadleaf evergreen that, at first glance, could be mistaken for boxwood or small leaf holly. However, xPyracomeles comes without the threat of boxwood blight or spider mites. It has a natural, ball-shaped habit but can be sheared into various shapes, just like boxwood. The plant is tight and finely branched with tiny, glossy, evergreen leaves. It is an intergeneric hybrid developed by NCSU by crossing *Pyracantha* with *Osteomeles*. It has no thorns and does not flower. It is the ideal evergreen for hedging, topiary, containers or for parterres, and has long been sought-after by bonsai enthusiasts.

USDA 7 (6b), AHS 9, 1-3', gr 1, evergreen ☀️ 🌧️

Item #: 61902 - 2 1/4" • 61904 - 4" • 61905 - Quick Turn

JUKE BOX® xPyracomeles

FINE LINE® Rhamnus

BLACK HAT™ Rhododendron

'Amy Cotta' Rhododendron

Rhamnus • Buckthorn

Family: Rhamnaceae (Rham-nus: ancient Greek name for spiny plants)

'Argenteovariegata' (*R. alaternus*)

This handsome Mediterranean native, known as variegated Italian buckthorn, is a versatile plant for warm climate landscapes that is readily shaped for topiary or hedging. Foliage appears silver but is actually blue-green with an ivory margin. Orange flowers in early summer are followed by red fruit.

USDA 7, AHS 9, 12-14', gr 0.5, foliage interest ☀️🌧️🌿🍂

Item #: 61982 - 2 ¼" • 61984 - 4"

FINE LINE® (*R. frangula*: syn. *Frangula alnus* 'Ron Williams' pp#14,791)

This plant combines the fantastic, fern-like foliage of 'Asplenifolia' with the narrow upright habit of 'Columnaris'. The landscape applications for this plant are endless: narrow hedges, screens, or accent specimen. This non-invasive cultivar produces very little fruit and is an excellent, replacement for older weedy varieties. A university study showed a meager 3% germination rate compared to the species which germinated at 98%. Developed by Ron Williams of Scenic View Nursery in Green Bay, Wisconsin. Awards: Silver Medal Royal Horticulture Society, MOBOT Tried and True.

USDA 2, AHS 7, 5-7', gr 1, foliage interest ☀️🌧️

Item #: 62152 - 2 ¼" • 62154 - 4" • 62155 - Quick Turn

Rhododendron • Rhododendron

Family: Ericaceae (Rhododendron: From the Greek words for rose, rhodo, and tree, dendron)

BLACK HAT™ (*R. x 'NCRX2'* ppaf, cbraf)

Developed by Dr. Tom Ranney at NCSU, this small-leaved, compact PJM-type rhododendron is a triploid with an extra-long display of pink to purple early spring flowers. Black foliage in winter adds to its beauty.

USDA 4, AHS 8, 3', gr 1, early spring bloom ☀️🌧️🌸

Item #: 62332 - 2 ¼" • 62334 - 4" • 62335 - Quick Turn

'Amy Cotta' (*R. 'Amy Cotta'* pp#11,311)

A heavy-blooming form of 'PJM' rhododendron, 'Amy Cotta' is a slow growing semi-dwarf plant, perfect for sites which call for a compact flowering evergreen. Dense, azalea-like foliage is smaller and darker than that of 'PJM'; plentiful ruffled blooms cover the plant in early spring. Selected by Steve Cotta of Portsmouth Nursery.

USDA 4, AHS 8, 2-3', gr 1.5, spring bloom ☀️🌧️🌸

Item #: 62282 - 2 ¼" • 62284 - 4" • 62285 - Quick Turn

DANDY MAN COLOR WHEEL™ (*R. x 'NCRX1'* ppaf, cbraf)

Sure, it's gorgeous, with multiple colors in one flower, but it's also one tough dude. This dandy sports flowers that are red in bud, open a bright candy-pink, then change to blush and finally, white. On top of that, this *R. hyperythrum* hybrid resists root rot diseases and takes the heat.

USDA 5, AHS 9, 4-8', gr 1, spring bloom ☀️🌧️🌸🌸

Item #: 61102 - 2 ¼" • 61104 - 4" • 61105 - Quick Turn

DANDY MAN® Pink (*R. 'PKT2011'*)

A unique combination of hardiness, heat tolerance and root rot resistance makes this *R. hyperythrum* hybrid a garden workhorse. Pink flowers adorn this attractive, well-branched evergreen during its early/mid-season bloom time. Developed by ARS past president Dr. Leonard Miller of Oklahoma.

USDA 5, AHS 9, 4-8', gr 1, spring bloom ☀️🌧️🌸

Item #: 62465 - Quick Turn

DANDY MAN® Purple (*R. 'LAVJ2011'* pp#26,976)

This super hardy hybrid from the late Joe Parks has proven to withstand winters in Maine and New Hampshire. You'll love the rich purple blooms and healthy disposition. Pretty and tough, it's a superior evergreen for landscaping.

USDA 4, AHS 8, 4-8', gr 1, spring bloom ☀️🌧️🌸

Item #: 62435 - Quick Turn

BOLLYWOOD® Rhododendron

Rhododendron • Azalea

Family: Ericaceae (Rhododendron: From the Greek words for rose, rhodo, and tree, dendron)

BOLLYWOOD® (R. 'Farrow' pp#22,209)

Neon red-pink flowers engulf this compact semi-evergreen azalea in spring. Showy silver and dark green variegated foliage supplies color the rest of the year. Developed by Mike Farrow of Holly Hill Nursery in Maryland.

USDA 6, AHS 9, 2-3', gr 1, spring bloom 🌞🌧️🌸

Item #: 62422 - 2 1/4" • 62424 - 4" • 62425 - Quick Turn

PERFECTO MUNDO™ Series

In a perfect world, azaleas would bloom spring through fall, for weeks at a time, and with a heavy set of richly hued flowers. They'd resist the damage of the notorious azalea lacebug and grow better in cooler areas with shorter summers. These have long been Tom Ranney's azalea breeding goals, and we are delighted to introduce the Perfecto Mundo™ series, which ticks all those boxes. Look for more colors and varieties to come!

NEW

PERFECTO MUNDO™ Double Pink (R. 'NCRX3' ppaf, cbrat)

Everything you want in an evergreen azalea: showy, pure pink, double blooms for weeks of the in spring, late summer, and fall, improved hardiness, and lacebug resistance.

USDA 6b, AHS 9, 2-3', gr 1, spring, later summer, fall bloom 🌞🌧️🌸

Item #: 62252 - 2 1/4" • 62254 - 4" • 62255 - Quick Turn

BLOOM-A-THON® Hot Pink Rhododendron

BLOOM-A-THON® Lavender Rhododendron

BLOOM-A-THON® Pink Double Rhododendron

BLOOM-A-THON® Red Rhododendron

BLOOM-A-THON® White Rhododendron

Rhododendron continued

BLOOM-A-THON® Series

Reblooming azaleas delight gardeners (and garden centers) for months instead of weeks. Look for continuous cycles of blooms through the heat of the summer, and heavy flowering in fall until hard frost – up to twenty weeks of flowers each year! These evergreen azaleas were developed by breeder Bob Head, and do best in part sun to dappled shade.

BLOOM-A-THON® Hot Pink (R. 'RLH1-11P1' pp#27,900)

Vivid pink flowers with freckled throats. Blooms are semi-double, with a frill of extra petals in the center.

USDA 7, AHS 9, 3.5-4.5', gr 1, spring; rebloomer

Item #: 61022 - 2 1/4" • 61024 - 4" • 61025 - Quick Turn

BLOOM-A-THON® Lavender (R. 'RLH1-4P19' pp#21,476)

Large, ruffled bright lavender flowers are sprinkled with deeper rose freckles through the throat.

USDA 7, AHS 9, 3.5-4.5', gr 1, spring; rebloomer

Item #: 61072 - 2 1/4" • 61074 - 4" • 61075 - Quick Turn

BLOOM-A-THON® Pink Double (R. 'RLH1-2P8' pp#21,477)

Bright pink doubled flowers are very showy. This cultivar sets buds and continues flowering at lower temperatures than the rest of the series.

USDA 7, AHS 9, 3.5-4.5', gr 1, spring; rebloomer

Item #: 61032 - 2 1/4" • 61034 - 4" • 61035 - Quick Turn

BLOOM-A-THON® Red (R. 'RLH1-1P2' pp#21,562)

Bright crimson-red flowers pop against the dark green foliage.

USDA 7, AHS 9, 3-4', gr 1, spring; rebloomer

Item #: 61012 - 2 1/4" • 61014 - 4" • 61015 - Quick Turn

BLOOM-A-THON® White (R. 'RLH1-3P3' pp#21,512)

Large, single white flowers are attractively sprinkled with green freckles on the upper petals.

USDA 7, AHS 9, 2.5-3', gr 1, spring; rebloomer

Item #: 61052 - 2 1/4" • 61054 - 4" • 61055 - Quick Turn

yedoense var. *poukhanense* 'Compacta'

A surprisingly hardy and easy to grow semi-evergreen azalea, widely planted in landscapes since the late 1800s. Lightly fragrant purple flowers smother the sturdy, compact plant in late spring. Very shade tolerant!

USDA 4, AHS 8, 3-5', gr 1, spring bloom

Item #: 61462 - 2 1/4" • 61464 - 4"

Weston Native Azaleas

Extend your seasonal sales with summer-blooming native azaleas. Developed by the Mezitt family at Weston Nurseries in Massachusetts, these colorful varieties are also delightfully fragrant. All are deciduous and easy to grow.

'Weston's Innocence' (R. x)

This vigorous variety is late-blooming, with fragrant white flowers in June. Semi-glossy foliage turns burgundy-red in fall. It has an upright, spreading habit that becomes more rounded over time.

USDA 4, AHS 8, 3-5', gr 1, summer bloom

Item #: 61332 - 2 1/4"

'Weston's Lemon Drop' (R. x)

Peach colored buds open to pale yellow flowers in mid-July with mildew-resistant deciduous foliage. Leaves turn pink-red in fall. The blossoms have a lemony fragrance and hold up well in hot sun, often for 2 weeks or more. Award: ARS Proven Performer.

USDA 3b, AHS 7, 6-10', gr 1, summer bloom

Item #: 61352 - 2 1/4"

'Weston's Millenium' (R. x)

Bring on summer! This upright deciduous azalea bears dusky red flowers in early to mid-July, and holds up well even in 90°F heat. The blue-green leaves have striking silvery undersides.

USDA 4, AHS 8, 4-5', gr 1, summer bloom

Item #: 61382 - 2 1/4"

'Weston's Parade' (R. x)

Rounded heads of clear dark pink flowers adorn this plant for most of July and add a light vanilla fragrance to the garden. Mildew resistant, deciduous foliage turns bronze-green and orange in fall.

USDA 4b, AHS 7, 4-5', gr 1, summer bloom 🌞🌧️🌬️🌸

Item #: 61392 - 2 1/4"

'Weston's Ribbon Candy' (R. x)

Unique striped flowers dazzle in the garden – and in the garden center. Summertime blooms emit an unusual fragrance, described by the breeder as "spicy-peppery." Excellent fall color on this deciduous azalea.

USDA 4, AHS 8, 6-12', gr 1, summer bloom 🌞🌧️🌬️🌸

Item #: 61432 - 2 1/4"

Rhus aromatica • Fragrant Sumac

Family: Anacardiaceae (Rhus: ancient Greek name, aromatica: aromatic)

'Gro-Low'

Short, spreading groundcover with glossy green foliage and superb orange-red fall color. This low-maintenance favorite of landscapers was introduced by Synnestevedt Nursery. Native. Awards: GMPA, PSC.

USDA 3, AHS 8, 1-2', gr 1.5, fall foliage 🌞🌧️🌬️

Item #: 62402 - 2 1/4" • 62404 - 4"

Rosa • Landscape Rose

Family: Rosaceae (Ros-a: Ancient Latin name for the plant)

AT LAST® (R. 'HORCOGJIL' pp#27,541, cbr#5631)

Finally - a fragrant, modern rose! At Last® combines all the romance of a fragrant, fully-petaled tea rose with the no-nonsense practicality of a healthy landscape rose. Enjoy a non-stop display of large, sweetly perfumed sunset-orange blossoms from late spring through frost. Handsome, glossy foliage and a vigorous, rounded habit makes it ideal for use in the landscape or the flower garden. Developed by Colin Horner. 2019 Rose of the Year.

USDA 5, AHS 9, 3', gr 1, summer rebloomer 🌞🌧️✂️🌸

Item #: 63612 - 2 1/4" • 63614 - 4" • 63615 - Quick Turn

JULIA CHILD™ (R. 'WEKvossutono' pp#18,473)

This All-American Rose Selection was personally chosen by its namesake for its buttery gold color and licorice candy fragrance. You'll love its disease resistance, rounded habit, and continuous blooms. Bred by Tom Carruth of Weeks Roses.

USDA 4, AHS 9, 2-3' tall, gr 1, summer bloom 🌞🌧️🌸

Item #: 63834 - 4"

LIVIN' LA VIDA® (R. 'HORNIMROD' pp#27,366)

Flamingo pink flowers pop against the glossy, dark green foliage. This continuous blooming rose produces lots of showy, full blooms with a high petal count. Compact, upright growth and good branching make it an excellent container plant with loads of impulse appeal.

USDA 5, AHS 9, 2.5-3', gr 1, summer rebloomer 🌞🌧️🌸

Item #: 63262 - 2 1/4" • 63264 - 4" • 63265 - Quick Turn

SUÑORITA™ (R. 'Chewgewest' ppaf, cbraf)

Classic rose flowers start out orange and transform into rich hues of gold and yellow as they open and mature. A stand out four years running in our no-spray trials, this shrub has shown good continuous blooming and healthy, glossy, dark green foliage. Formerly sold as Sunsay™ rose.

USDA 5, AHS 9, 3-4', gr 1, summer rebloomer 🌞🌧️🌸

Item #: 63982 - 2 1/4" • 63984 - 4" • 63985 - Quick Turn

RINGO™ (R. 'ChewBullseye' pp#28,394, cbraf)

The winner of six international rose awards, this eye-catching rose from Chris Warner is certainly bold, and perhaps a bit brash, with brightly bicolored blooms of banana-yellow and red which take on hues of pink with white over time. Award: Silver Certificate, 2017 The Hague Rose Trials.

USDA 4, AHS 8, 3-4', gr 1, summer rebloomer 🌞🌧️🌸

Item #: 63932 - 2 1/4" • 63934 - 4" • 63935 - Quick Turn

OSO EASY® Cherry Pie (R. 'Meiboulka' pp#19,258, cbr#4870)

An abundance of cherry-red flowers with bright yellow stamens all summer long.

USDA 4, AHS 9, 2-4', gr 1, summer rebloomer  

Item #: 63412 - 2 1/4" • 63414 - 4" • 63415 - Quick Turn

OSO EASY® Double Pink (R. 'MEIRIFTDAY' ppaf, cbraf)

Excellent disease resistance and abundant, continuous blooms set this low mounded, ground covering rose apart from the crowd. Ten or more pink double flowers are produced per stem, creating a mass of cheerful summer color. Glossy, dark green leaves add to its appeal. Developed by Meiland International of France.

USDA 5, AHS 9, height 1.5-2', gr 1, summer rebloomer  

Item #: 65812 - 2 1/4" • 65814 - 4" • 65815 - Quick Turn

OSO EASY DOUBLE RED™ (R. 'Meipeporia' pp#26,298)

A floriferous rose with bright red, doubled blooms and dark, disease-resistant foliage. Sturdy, rounded habit with flowers held well above the foliage makes for a stunning display.

USDA 4, AHS 9, 3-4', gr 1, summer rebloomer  

Item #: 63642 - 2 1/4" • 63644 - 4" • 63645 - Quick Turn

OSO EASY HOT PAPRIKA® (R. 'FARROWRSP' ppaf, cbraf)

If you like the classic Oso Easy® Paprika rose, you'll adore this colorful new sport. The same habit, performance and disease resistance, but with deeply pigmented flowers that range from dark orange to vivid salmon.

USDA 3, AHS 9, 1-2', gr 1, summer rebloomer  

Item #: 69862 - 2 1/4" • 69864 - 4" • 69865 - Quick Turn

OSO EASY® ITALIAN ICE® (R. 'CHEWNICEBELL' pp#26,532, cbr#5131)

Electric-orange buds open to soft yellow flowers that melt into pink-blushed margins. The 'Peace'-like coloration is set off by dark green, glossy foliage. Semi-doubled, self-cleaning flowers have 24-30 petals each.

USDA 4, AHS 9, 1.5-2.5', gr 1, summer rebloomer  

Item #: 63292 - 2 1/4" • 63294 - 4" • 63295 - Quick Turn

OSO EASY LEMON ZEST™ (R. 'Chewhocan' pp#26,914, cbr#5130)

We evaluated yellow roses for years to find one that lived up to our demands for brilliant color and excellent disease resistance. This is it! Sunny, canary yellow flowers do not fade to white. It is free-flowering, self-cleaning, and highly disease resistant. The American Rose Society thinks so, too: it earned an ARS Award of Excellence in the No Spray category in 2016.

USDA 4, AHS 9, 2-3', gr 1, summer rebloomer  

Item #: 63442 - 2 1/4" • 63444 - 4" • 63445 - Quick Turn

OSO EASY® Mango Salsa (R. 'Chewperadventure' pp#22,190, cbr#4688)

Continuous blooms offer stunning color: shades of ruby red grapefruit, summer sunsets, and fancy tropical drinks with umbrellas in them. They cover the tidy mound of dark, glossy foliage.

USDA 4, AHS 9, 1-3', gr 1, summer rebloomer  

Item #: 69752 - 2 1/4" • 69754 - 4" • 69755 - Quick Turn

Lovely low mounded rose with blooms that emerge peach and transform to cream. The large, double flowers are self-cleaning. Hybridized by Colin Horner of the UK.

USDA 3, AHS 9, 1-3', gr 1, summer rebloomer  

Item #: 69682 - 2 1/4" • 69684 - 4" • 69685 - Quick Turn

NEW

OSO EASY PEASY™ (R. 'Phyllis Sherman' pp29,167, cbraf)

Winner of the American Rose Society Award of Excellence in the No Spray division, this rugged beauty sends continuous sprays of dragon fruit-colored flowers starting in early summer and up to frost. Developed by the award winning rose breeder David Charles Zlesak.

USDA 4, AHS 9, 2.5-3.5', gr 1, summer rebloomer  

Item #: 68312 - 2 1/4" • 68314 - 4" • 68315 - Quick Turn

OSO EASY® Petit Pink (R. 'ZLEMarianneYoshida' pp#22,205, cbr#4448)

Bubblegum pink flower sprays and small green leaves are reminiscent of a miniature rose, but this variety is comparable to 'The Fairy' in its mature size. A very refined mound with a strong continuous bloom and exceptional disease resistance; it's a great rose for the shrub or perennial border. Now a part of the Oso Easy® series. Awards: 2012 Miniature/Miniflora Rose Award of Excellence, American Rose Society. 2019 A.R.T.S. Master Rose.

USDA 4, AHS 9, 2.5-3.5', gr 1, summer rebloomer  

Item #: 63222 - 2 1/4" • 63224 - 4" • 63225 - Quick Turn

OSO EASY® Pink Cupcake (R. 'Chewallbell' pp#26,817, cbr#5129)

Extra large, extra full flowers pop against the glossy green leaves. The clean, disease-resistant foliage emerges with red tones. Look for up to 20 petals on each flower of this floriferous rose. Award: RNRS Award of Merit.

USDA 4, AHS 9, 2-4', gr 1, summer rebloomer  

Item #: 69212 - 2 1/4" • 69214 - 4" • 69215 - Quick Turn

OSO EASY® URBAN LEGEND® (R. 'ChewPatout' pp#28,394, cbraf)

Always in bloom during the season, this highly disease resistant rose was a standout in our no-spray rose trials, and a huge hit at the 2016 California Spring Trials. The double, scarlet red flowers are accentuated by cheery yellow stamens. Hybridized by Chris Warner of the UK. Awards: 2019 ARS Award of Excellence, No Spray Category.

USDA 4, AHS 9, 2.5-3', gr 1, summer rebloomer  

Item #: 63432 - 2 1/4" • 63434 - 4" • 63435 - Quick Turn

BLACK CAT® Salix

BLACK BEAUTY® Sambucus

BLACK LACE® Sambucus

Salix • Willow

Family: Salicaceae (Sa-lix: classical name for willow)

BLACK CAT® (*S. 'Lubbers Zwart'* pp#27,403, cbraf)

The cat came back! This showy pussywillow features extra-large black catkins that are much larger than 'Melanostachys' in late winter/early spring. Its long branches make excellent cuts for winter arrangements. Very hardy and easy to grow in moist to wet, sunny areas. Prune back hard after flowering. This plant may occasionally send out a shoot with silver buds; if this occurs simply prune it out.

USDA 4, AHS 7, 10-12' tall and wide, gr 1, early spring bloom

Item #: 70582 - 2 ¼" • 70584 - 4" • 70585 - Quick Turn

'Winter Glory' (formerly *S. chaenomeloides*)

Giant pussy willow. Catkins the size of a rabbit's foot are great for cutting.

USDA 4, AHS 7, 10-12', gr 1, spring bloom ☀️ 🌧️ ✂️

Item #: 70552 - 2 ¼" • 70554 - 4"

'Hakuro Nishiki' (syn. *S. integra* 'Alba Maculata')

The Japanese dappled willow is noted for its striking white-green-pink foliage. Its slender branches are always moving in the breeze. Regular shearing is necessary to maintain leaf variegation. Very popular.

USDA 4, AHS 7, 4-6', gr 1, foliage interest ☀️ 🌧️ ✂️

Item #: 70902 - 2 ¼" • 70904 - 4"

'Mt. Asama' (*S. gracilistyla*)

Selected by florists in Japan for its pink-tinged pussy willow flowers. Buds emerge two-toned, dark burgundy and silver, before aging to black-silver. Named after the volcano Mt. Asama, it has larger catkins than *S. caprea*.

USDA 4, AHS 7, 8-10', gr 1, spring bloom ☀️ 🌧️ ✂️

Item #: 70562 - 2 ¼" • 70564 - 4"

Sambucus • Elderberry

Family: Adoxaceae (Sambuc-us: from the Latin word for elder tree)

Elderberry as an ornamental? Yes! These uniquely beautiful selections of *Sambucus* have cemented their position as an in-demand flowering shrub. They lend a touch of the exotic to cool climate gardens yet are durable, easy to grow, and fast to produce. With edible flowers and fruits on all four of our *Sambucus nigra* selections, their popularity shows no signs of waning. Grow at least two different varieties to ensure garden center shoppers can get the fruit that makes these so popular.

BLACK BEAUTY® (*S. nigra* 'Gerda' pp#12,305)

Its intriguing dark black foliage will completely change your perception of sambucus. Large pink flowers in summer offer chic contrast with the foliage; black fruit is produced in fall if a pollinator is present. Grow it as a shrub, or cut it back each year and use it as a bold perennial. Developed by Ken Tobutt and Jacqui Prevet of the East Malling Research Station in England. Award: Bronze Medal, Royal Boskoop Horticulture Society; AGM.

USDA 4, AHS 7, 8-12', gr 0.5

BLACK LACE® (*S. n.* 'Eva' pp#15,575, cbr#2633)

Reminiscent of a Japanese maple with its lacy purple-black foliage, Black Lace® sambucus is a great plant for the perennial garden, patio, or entryway. In addition to unusual color and texture, it produces large pink flowers that reach 6"+ in diameter. It has tons of impulse appeal so make sure you stock up for the demand. Best coloration occurs with full sun and cooler temperatures; plants will not get dark black in southern climates. Developed by the British breeding program at the Horticulture Research Institute at East Malling. Awards: Silver Medal, Royal Boskoop Horticulture Society; AGM.

USDA 4, AHS 7, 6-10', gr 0.5

LACED UP® *Sambucus*

LACED UP® (*S. n.* 'SNR1292' ppaf, cbraf)

If Dr. Seuss were a plant breeder, this is what he'd create. Deeply cut foliage is jet-black, with large pink inflorescences on a narrow, upright plant that curves this way and that. Unlike others, this elderberry holds its dark foliage color all season long, even under poly. A superb container plant that requires no pruning and little spacing. Developed by Ken Tobutt and Fiona Wilson of the UK; formerly known as Strait-Laced®. Plant with another *Sambucus nigra* for fruit.

USDA 4, AHS 7, 6-8', gr 1, early summer bloom 🌞 ☁️ 🌧️ 🌸 🍷

Item #: 72322 - 2 1/4" • 72324 - 4" • 72325 - Quick Turn

LEMONY LACE® (*S. racemosa* 'SMNSRD4' pp#26,613, cbraf)

Check out this very hardy cut-leaf elderberry with bright golden foliage and improved sunburn resistance. Lemony Lace® sambucus is a colorful, shaggy mound of gold with red new growth. The foliage is more deeply cut than 'Sutherland Gold' or Black Lace® elderberry, resulting in a compact, irregular mound with extremely fine texture. White spring flowers produce red fruit in fall. It will tolerate full sun in northern climates, but prefers light shade in more southern areas. Native. Award: Bronze Medal, Plantarium 2014.

USDA 3, AHS 7, 3-5', gr 0.5, spring bloom 🌞 ☁️ 🌧️ 🌸 🍷

Item #: 72542 - 2 1/4" • 72544 - 4" • 72545 - Quick Turn

LEMONY LACE® *Sambucus*

Schizophragma • False Hydrangea-Vine

Family: Hydrangaceae (Schizo-phragma: Greek meaning cleft wall, referring to the fruit capsules)

'Moonlight' (*S. hydrangeoides*)

Pewter blue leaves are dissected by a network of green and pink venation. Big white flowers in July. A first class climber discovered in the wilds of Japan by Barry Yinger. Awards: GMPA.

USDA 5, AHS 9, 40-50', gr 1, summer bloom 🌞 ☁️ 🌧️ 🌸 🍷

Item #: 72762 - 2 1/4" • 72764 - 4"

ROSE SENSATION™ (*S. h.* 'Minsens')

Elegant and distinctive, schizophragma is a great choice for nurseries looking to set themselves apart from the competition. This is a showier variety with larger, deeper pink sepals in June and July. It's a great addition to woodland settings or trained up a north facing wall.

USDA 5, AHS 9, 40-50', gr 1, summer bloom 🌞 ☁️ 🌧️ 🌸 🍷

Item #: 72752 - 2 1/4" • 72754 - 4" • 72755 - Quick Turn

Spiraea • Spirea

Family: Rosaceae (Spi-raea: Greek word for plant used in garland-making)

THE DOUBLE PLAY® Series

What sets our *Spiraea* apart? We develop and select every plant for superior color and landscape-worthy habits. Double Play spiraea are super showy from the time their first leaf buds emerge til the time the last leaf drops in fall. Blissfully quick to produce, they are always in demand by landscapers and homeowners alike.

DOUBLE PLAY® ARTISAN® (S. japonica 'Galen' pp#21,712, cbr#4072)

Foliage emerges purple-red before turning blue-green. The flowers are a rich, pure pink. The plant naturally grows as a compact, full bodied mound.

USDA 3, AHS 8, 2-2.5', gr 0.5, late spring bloom     

Item #: 74732 - 2 1/4" • 74734 - 4" • 74735 - Quick Turn

DOUBLE PLAY® BIG BANG™ (S. 'Tracy' pp#21,588, cbr#4073)

Massive pink flowers of a size never seen before adorn bright yellow foliage.

Foliage glows orange in the spring.

USDA 3, AHS 8, 2-3', gr 0.5, late spring bloom     

Item #: 76542 - 2 1/4" • 76544 - 4" • 76545 - Quick Turn

DOUBLE PLAY® BLUE KAZOO® (S. media 'SMSMBK' pp#26,655, cbr#4074)

Cool blue foliage is the perfect contrast to this hardy plant's crisp white blooms. Hints of burgundy in the new growth foreshadow the red fall foliage. This neat, mounded plant is an excellent addition to the landscaper's palette.

USDA 3, AHS 8, 2-3', gr 0.5, late spring bloom     

Item #: 74022 - 2 1/4" • 74024 - 4" • 74025 - Quick Turn

DOUBLE PLAY® CANDY CORN® (S. j. 'NCSX1' pp#28,313, cbr#4075)

So colorful, you won't believe your eyes: candy apple red foliage starts the show in early spring. As the season progresses, older foliage transforms to pineapple yellow, creating a unique contrast with the orangy-red new growth. Dark purple blooms in late spring make this one of the most eye-popping spiraea yet!

USDA 4, AHS 7, 1.5-2', gr 1, late spring bloom     

Item #: 76902 - 2 1/4" • 76904 - 4" • 76905 - Quick Turn

DOUBLE PLAY DOOZIE™ (S. x 'NCSX2' ppaf, cbr#4076)

The first-ever sterile, reblooming spiraea! Like all of the Double Play® varieties, spring foliage is the opening act. This selection starts the season with vibrant red and lime leaves that darken as the season progresses. The next act is the hot pink-red flowers that open in June and continue on until frost. All of its energy goes into flowering! Developed by Dr. Thomas Ranney and his crew at NCSU.

USDA 3, AHS 8, 2-3', gr 0.5, spring rebloomer     

Item #: 76962 - 2 1/4" • 76964 - 4" • 76965 - Quick Turn

DOUBLE PLAY® Gold (S. j. 'Yan' pp#21,615, cbr#4077)

Abundant pure pink flowers cover this compact, gold leafed, low mounded beauty. In side by side trials with twenty other gold-leaf spiraea, this plant shined above all others in the landscape and in containers. Awards: MOBOT Tried and True.

USDA 3, AHS 8, 1.5-2', gr 0.5, late spring bloom     

Item #: 74762 - 2 1/4" • 74764 - 4" • 74765 - Quick Turn

DOUBLE PLAY® PAINTED LADY® (S. j. 'Minspi')

Taking color to a whole new level, this spiraea delivers brightly variegated yellow and green foliage and hot pink, late spring flowers. Great for perennial gardens, patio containers or any place you want a splash of color. The variegation is very stable and very consistent. From Minier Nursery of France.

USDA 3, AHS 8, 2-3', gr 0.5, late spring bloom     

Item #: 74562 - 2 1/4" • 74564 - 4" • 74565 - Quick Turn

DOUBLE PLAY® Pink (S. j. 'SMNSJMFP' pp#26,995, cbr#5632)

How do you improve spiraea? Create the perfect combination of form, flowers and foliage: a dense mounded habit, memorably dark red spring foliage, and then loads of pure, rich pink flowers in summer. Consider it a vastly improved 'Anthony Waterer.'

USDA 3, AHS 8, 2-2.5', gr 0.5, late spring bloom     

Item #: 74132 - 2 1/4" • 74134 - 4" • 74135 - Quick Turn

DOUBLE PLAY® Red (S. j. 'SMNSJMFR' pp#26,993, cbr#5633)

A flower color breakthrough, this is the first and only spiraea with true red flowers. Add in handsome dark burgundy spring foliage for the perfect double play.

USDA 3, AHS 8, 2-3', gr 0.5, late spring bloom     

Item #: 73962 - 2 1/4" • 73964 - 4" • 73965 - Quick Turn

GLOW GIRL® (S. betulifolia 'Tor Gold' cbr#5121)

It's the plant every grower wants! Pink buds open to pure white blooms in spring, just in time for the garden center shopping season. Lemon-lime foliage holds its color well, doesn't burn in summer, and transforms to rich burgundy in fall. There's no need to space or prune to produce an attractive container. Native.

USDA 3, AHS 9, 3-4', gr 1, late spring bloom     

Item #: 73342 - 2 1/4" • 73344 - 4" • 73345 - Quick Turn

'Goldmound' (S. j.)

Bright gold foliage, pink flowers, and a low mounding form. Introduced by W.H. Perron Nursery.

USDA 3, AHS 9, 2-3', gr 1, late spring bloom     

Item #: 74272 - 2 1/4" • 74274 - 4"

'Little Princess' (S. j.)

Larger leaves, faster growth and abundant pink flowers, yet still more compact than other cultivars. Award: PSC.

USDA 3, AHS 9, 18-24", gr 1, late spring bloom     

Item #: 74362 - 2 1/4" • 74364 - 4"

'Magic Carpet' (S. j.)

A dwarf spiraea with vibrant red leaf tips above a backdrop of bright golden foliage. Pink-purple flowers in early summer. Use it as a groundcover! Award: GCA.

USDA 3, AHS 9, 18-24", gr 1, late spring bloom     

Item #: 74422 - 2 1/4" • 74424 - 4"

WEDDING CAKE® (S. nipponica 'SMNSNFD', pp#28,096, cbr#4078)

Improved flowering and a more compact habit made this improved 'Snowmound' spiraea a standout in our trial garden. An explosion of pure white flowers in late May to early June jump out against its dark blue-green foliage. This is a waist-high shrub with a neat, fluffy, ball-shaped habit; a standout in both containers and in the garden.

USDA 4, AHS 8, 3-3.5', gr 1, spring bloom     

Item #: 75222 - 2 1/4" • 75224 - 4" • 75225 - Quick Turn

'Ogon' (S. thunbergii)

A beautiful Japanese selection with bright yellow, small willow-like leaves. Attractive white flowers appear in early spring. The fall color is bronze. Very eye-catching and unique! Award: GMPA.

USDA 4, AHS 8, 3-4', gr 1, spring bloom     

Item #: 75612 - 2 1/4" • 75614 - 4"

Symphoricarpos • Coral Berry

Family: Caprifoliaceae (Symphor-i-carpos: Greek: to bear together and fruit)

PROUD BERRY® (S. 'Sofie' pp#21,226)

An improved selection of our North American native selected for its compact growth and profusion of bright pink berries in late summer to autumn. Plant in full sun and prune back to a height of one foot in late winter or early spring to get the best fruit display. Will fruit the first year! Great for mass plantings and for cut flower production. The fruit is not edible. Developed by Catharina Marie Hoekstra-Arisz of the Netherlands. Native.

USDA 3, AHS 7, 3-4', gr 0.5

summer bloom, fall fruit     

Item #: 77382 - 2 1/4" • 77384 - 4" • 77385 - Quick Turn

BLOOMERANG® Dark Purple Syringa

BLOOMERANG® Dwarf Pink Syringa

BLOOMERANG® Dwarf Purple Syringa

BLOOMERANG® Purple Syringa

SCENT AND SENSIBILITY™ Pink Syringa

Syringa • Lilac

Family: Oleaceae (Syring-a: Greek word for reed-pipe, as hollow stems were used as flute-like instruments)

BLOOMERANG® Dark Purple (S. x 'SMSJBP7' pp#26,549, cbr#5076)

Bloomerang Dark Purple lilac is a bigger plant, with larger, more rounded inflorescences. It's very showy in spring, and continues to amaze with fragrant blooms from mid-summer to frost. Exceptional vigor makes it a fantastic production plant. Award: Green Thumb Award, DGA.

USDA 3, AHS 7, 4-6', gr 1, spring rebloomer      

Item #: 81442 - 2 1/4" • 81444 - 4" • 81445 - Quick Turn

BLOOMERANG® Dwarf Pink (S. 'SMNJRPI' ppaf, cbraf)

A new and improved version of Bloomerang® 'Pink Perfume' lilac with darker pink flowers and improved disease resistance. Both growers and consumers with love this plant for its healthy, vigorous growth, fragrance, and smaller habit.

USDA 3, AHS 7, 2.5-3', gr 1

spring rebloomer      

Item #: 81662 - 2 1/4" • 81664 - 4" • 81665 - Quick Turn

BLOOMERANG® Dwarf Purple (S. 'SMNJRPU' ppaf, cbraf)

A new and improved purple Bloomerang® lilac with more flowers and improved disease resistance. Growers and consumers with love this plant for its healthy, vigorous growth, sweet fragrance, and smaller habit.

USDA 3, AHS 7, 2.5-3', gr 1

spring rebloomer      

Item #: 81882 - 2 1/4" • 81884 - 4" • 81885 - Quick Turn

BLOOMERANG® PURPLE (S. x 'Penda' pp#20,575, cbr#4071)

The reblooming lilac that rocked the horticultural world – and still does! The highly fragrant flowers burst forth in spring and then again in mid-summer and continue right up until frost. Mildew resistant.

USDA 3, AHS 7, 4-5', gr 1, spring rebloomer      

Item #: 81322 - 2 1/4" • 81324 - 4" • 81325 - Quick Turn

'Miss Kim' (S. patula)

A classic dwarf lilac with great disease resistance. Late blooming, with very fragrant icy lavender flowers.

USDA 3, AHS 8, 3-5', gr 1, spring bloom      

Item #: 79302 - 2 1/4" • 79304 - 4"

'Palibin' (S. meyeri)

Dwarf Korean lilac is a popular shrub with reddish purple flower buds that open a lavender-light pink. A strong bloomer with a light, pleasing fragrance. Awards: GMPA, AGM, PSC.

USDA 3, AHS 7, 3-5', gr 1, spring bloom      

Item #: 79202 - 2 1/4" • 79204 - 4"

SCENT AND SENSIBILITY™ Pink (S. x 'SMSXPM' pp#26,548, cbr#5077)

A sweet delight for spring gardens! This dwarf lilac is wider than it is tall, and produces copious dark pink buds which open to soft pink flowers. It is very fragrant. A product of the same breeding program as Bloomerang® lilacs, it does have some rebloom through the summer.

USDA 3, AHS 7, 2-3' tall and 4-5' wide, gr 1

spring bloom      

Item #: 81352 - 2 1/4" • 81354 - 4" • 81355 - Quick Turn

'Betsy Ross' (S. x *hyacinthiflora*, Egolf)

An American beauty that thrives even in hot climates! Selected for its pure white flowers, compact, rounded growth habit, and mildew tolerance. Thick dark green foliage.

USDA 2, AHS 8, 8-10', gr 1, spring bloom      

Item #: 80752 - 2 1/4" • 80754 - 4"

'Declaration' (S. x *h.*, Egolf)

Another American beauty that can be grown in hot areas! Selected at the National Arboretum for its very large, fragrant, dark reddish-purple flowers and clean foliage. It has an upright habit and good mildew resistance.

USDA 2, AHS 8, 8-10', gr 1, spring bloom      

Item #: 81202 - 2 1/4" • 81204 - 4"

'Pocahontas' (S. x *h.*, Skinner)

An early bloomer with very fragrant, deep reddish-purple, single flowers.

USDA 2, AHS 8, 10-12', gr 1, spring bloom      

Item #: 78682 - 2 1/4" • 78684 - 4"

SCENTARA® Double Blue (S. x h. 'SMNSHBBL' ppaf, cbraf)

A lush, fully doubled, blue lilac with sweet aromatic fragrance. Selected for its unique flowers, compact, rounded growth habit, and mildew tolerance. Thick dark green foliage.

USDA 2, AHS 8, 6-8', gr 1, spring bloom

Item #: 78472 - 2 1/4" • 78474 - 4" • 78475 - Quick Turn

SCENTARA® Double Blue *Syringa*

SCENTARA PURA™ (S. x h. 'SMNSHSO' ppaf, cbraf)

A standout in our field and container trials, this well-branched, semi-dwarf, compact lilac blooms heavily every spring. The flower buds emerge a mulberry-violet and open to a clear jacaranda purple. Developed from low chill bloodlines and resistant to mildew.

USDA 2, AHS 8, 4-6', gr 1, spring bloom

Item #: 78502 - 2 1/4" • 78504 - 4" • 78505 - Quick Turn

SCENTARA PURA™ *Syringa*

STONEHENGE™ (T. x media 'SMNTHDC' ppaf, cbraf)

Think of this evergreen as a thin, fast growing 'Hicksii'. Perfect for hedging or foundation plantings where a narrow plant works best. It has been in our field trial for over five years and has never needed pruning, shearing, or shown signs of winter burn. This shrub is narrow enough to be useful and interesting, thick enough to look good in a container, and fast-growing enough to be profitable.

USDA 5, AHS 7, 8-10' tall and 2-4' wide, gr 1

Item #: 83392 - 2 1/4" • 61104 - 4" • 61105 - Quick Turn

'Densiformis'

This landscape standard is a rapid grower with a spreading habit and fluffy bright green needles.

USDA 5, AHS 7, 4-6', gr 2, evergreen

Item #: 83252 - 2 1/4"

'Everlow'

Low spreading habit and winter burn resistance. Very popular with landscapers. Award: PSC.

USDA 4, AHS 7, 1-2', gr 2, evergreen

Item #: 83282 - 2 1/4"

'Hicksii'

Classic columnar form with dark green foliage. The preferred yew for hedging. Easy to maintain.

USDA 5, AHS 7, 8-10', gr 2, evergreen

Item #: 83362 - 2 1/4"

STONEHENGE™ *Taxus*

Thuja occidentalis • Arborvitae

Family: Cupressaceae (Thu-ja: Greek word for resin or incense, occidental-is meaning Western, as in New World)

'American Pillar' (T. o. pp#20,209)

A sport of 'Hetz Wintergreen' selected for its super-fast growth and tall, narrow habit. It maintains this useful, desirable columnar shape with minimal pruning and has tremendous potential in both the residential and commercial landscape markets. A single leader variety that has shown some deer resistance, it is also very hardy. Native.

USDA 3, AHS 8, 15-20', gr 1, evergreen

Item #: 84372 - 2 1/4" • 84374 - 4"

ANNA'S MAGIC BALL® (T. o. 'Anna van Vloten' pp#25,868, cbr#5284)

Dwarf evergreens look great at retail and are very versatile in the landscape. This bright golden evergreen sphere is a sport of 'Danica.' From Van Vloten Nursery in Canada, it has good burn resistance and holds its color nicely in winter. Native.

USDA 3, AHS 7, 10-15", gr 1.5, evergreen

Item #: 83912 - 2 1/4" • 83914 - 4" • 83915 - Quick Turn

'Filips Magic Moment' (T. o. pp#21,974, cbr#5285)

Dwarf Alberta spruce are extremely popular in residential landscapes - maybe too popular. Here's an easy-to-grow alternative with the same desirable size and habit, plus bright gold color. It's perfect for flanking formal entryways, either in the ground or in large containers. Native.

USDA 3, AHS 7, 6-8' tall, gr 1.5, evergreen

Item #: 84252 - 2 1/4" • 84254 - 4" • 84255 - Quick Turn

ANNA'S MAGIC BALL® *Thuja*

'Filips Magic Moment' *Thuja*

NORTH POLE® Thuja

Thuja continued

FIRE CHIEF™ (T.o. 'Congabe' pp#19,009)

Finally! A durable orange globose thuja. This evergreen ball is a bright mutation of 'Rheingold' with much brighter spring foliage and deeper red on the tips. It is also less prone to splitting. Native.

USDA 3, AHS 7, 3-4', gr 1.5, evergreen ☀️🌧️

Item #: 84232 - 2 ¼" • 84234 - 4"

'Golden Globe'

This globose evergreen is a slower growing mutation of 'Woodwardii' with soft golden-yellow foliage. Native.

USDA 3, AHS 7, 2-3', gr 1.5, evergreen ☀️🌧️

Item #: 84292 - 2 ¼" • 84294 - 4"

'Hetz Midget'

Dense compact globe with fans of green foliage. The growth rate slows and habit becomes more squat with age. This popular dwarf globe was developed by Fairview Nurseries. Native.

USDA 3, AHS 7, 1-2', gr 1.5, evergreen ☀️🌧️

Item #: 84322 - 2 ¼" • 84324 - 4"

MR. BOWLING BALL® (T.o. 'Bobozam')

A dwarf, mounded globe with soft, silvery-blue juvenile foliage. The habit is tight and compact, creating an outstanding landscape or container plant. Also known in the trade as 'Linesville,' which was discovered and named by Joe Stupka. Native.

USDA 4, AHS 7, 12-15", gr 1, evergreen ☀️🌧️

Item #: 83952 - 2 ¼" • 83954 - 4"

'Nigra Dark Green'

A pyramidal form with deep green foliage and good winter color. Native.

USDA 3, AHS 7, 20-25', gr 1.5, evergreen ☀️🌧️

Item #: 84462 - 2 ¼" • 84464 - 4"

NORTH POLE® (T.o. 'Art Boe' pp#22,174, cbr#3912)

This fast-growing narrow columnar selection of 'Wintergreen' has excellent hardiness and dark green winter foliage color. More narrow than 'Smaragd' (aka 'Emerald Green'), it is also resistant to winter burn. Developed by Art Boe of Faribault, MN. Native.

USDA 3, AHS 7, 10-15', gr 1, evergreen ☀️🌧️

Item #: 84472 - 2 ¼" • 84474 - 4" • 84475 - Quick Turn

PANCAKE™ (T.o. 'Concesarini' pp#24,013)

No pruning is necessary to maintain the distinctive flattened shape of this appealing arborvitae. The juvenile foliage turns a lovely blue hue in fall and winter. Native.

USDA 3, AHS 7, 1' tall and 2-3' wide, gr 1.5, evergreen ☀️

Item #: 84482 - 2 ¼" • 84484 - 4"

POLAR GOLD® (T.o. 'SMT0YB' pp#25,388, cbr#f)

Polar Gold arborvitae has attractive gold foliage year-round and is perfectly sized for residential landscapes. Similar to 'Brandon' in size and habit, its dense, finely-textured foliage is resistant to windburn. Native.

USDA 3, AHS 7, 12-15' tall and 4-6' wide, gr 1, evergreen ☀️🌧️

Item #: 84072 - 2 ¼" • 84074 - 4" • 84075 - Quick Turn

SKYWALKER™ (T.o. 'SMT0BP' pp#25,700)

The force is strong in this one...with its very narrow habit and good resistance to windburn, it will be a great addition to landscapes. Similar to 'Brandon' in height, but it has a very conical shape. Native.

USDA 3, AHS 7, 12-15' tall and 3-5' wide, gr 1, evergreen ☀️🌧️

Item #: 84102 - 2 ¼" • 84104 - 4"

'Smaragd'

Known in North America as 'Emerald Green,' this arborvitae is a very popular, tight pyramidal form with shiny, bright emerald-green foliage and good winter color. A classic from D.T. Poulsen, Denmark. Native. Award: PSC.

USDA 4, AHS 7, 10-15', gr 1.5, evergreen ☀️🌧️

Item #: 84632 - 2 ¼" • 84634 - 4"

POLAR GOLD® Thuja

SKYWALKER™ Thuja

THIN MAN™ Thuja

SPRING GROVE® Thuja

TATER TOT™ Thuja

FLUFFY® Thuja

THIN MAN™ (*T. o.* 'SMTOTM' pp#25,672)

Fast growing and perfect for screens! Its narrow habit makes it easy to fit into landscapes, and provides four season privacy. It holds its winter color well. Native.

USDA 3, AHS 7, 12-15', gr 1, evergreen ☀️🌧️

Item #: 83942 - 2 ¼" • 83944 - 4"

TATER TOT™ (*T. o.* 'SMNTOBAB' ppaf, cbrat)

A dwarf globe thuja, slightly taller than wide, with swirling fans of dark green foliage. This seedling of 'Brandon' has shown itself to be hardy and burn resistant, and to make a neat and tidy container. Faster growing than 'Danica' or 'Hetz Midget.' Perfect for small gardens. Formerly sold as Tiny Tot™.

USDA 3, AHS 7, 1-2', gr 1.5, evergreen ☀️🌧️

Item #: 84042 - 2 ¼" • 84044 - 4" • 84045 - Quick Turn

Thuja plicata • Western Arborvitae

Family: Cupressaceae (plica-ta: folded in plaits)

FLUFFY® (*T. p.* 'SMNTPGF' ppaf, cbrat)

A unique, dwarf arborvitae with glossy, golden, fluffy foliage. It has proven itself to be winter hardy and burn resistant. Maintains excellent winter color and a tight pyramidal habit.

USDA 5, AHS 8, 5-10', gr 1, evergreen ☀️🌧️

Item #: 85372 - 2 ¼" • 85374 - 4" • 85375 - Quick Turn

SPRING GROVE® (*T. p.* 'Grovepli')

A hardy and fast-growing Western arborvitae selected at Spring Grove Cemetery and Arboretum in Cincinnati, OH. Spring Grove thuja is a superior selection with rich green foliage that maintains excellent winter color and a tight pyramidal habit. This clone has experienced -25° F temperatures without missing a beat! It has shown excellent resistance to deer browsing. Native. Award: First Choice Award.

USDA 5, AHS 8, 25-30', gr 1, evergreen ☀️🌧️

Item #: 85412 - 2 ¼" • 85414 - 4" • 85415 - Quick Turn

'Green Giant' (syn. *T. x* 'Green Giant')

A hybrid between *T. plicata* and *T. standishii* with excellent vigor, it has lustrous rich medium green foliage and a broad pyramidal habit. Found as a seedling by S. Poulsen in Kristgaard, Denmark. Native. Award: GMPA

USDA 5, AHS 8, 30-40+', gr 1, evergreen ☀️🌧️

Item #: 85802 - 2 ¼" • 85804 - 4"

SPICE BABY™ Viburnum

SPICE GIRL® Viburnum

LIL' DITTY® Viburnum

ALL THAT GLITTERS® Viburnum

Viburnum • Viburnum

Adoxaceae (Viburn-um: Ancient Roman name for the plant)

Fragrant viburnum

x burkwoodii

Spicy fragrant blooms are pink in bud and open white. Dark, glossy, semi-evergreen foliage gives this plant multi-season interest. Award: AGM

USDA 5b, AHS 8, 5-8', gr 1.5, spring bloom ☀️🌧️🌬️🚫🌱

Item #: 86512 - 2 ¼" • 86514 - 4"

'Mohawk' (V. x b.)

A backcross with *V. carlesii* selected for its reddish-pink buds and intensely fragrant white flowers. Its disease-resistant glossy foliage turns a rich orange-red in autumn. A Don Egolf/USNA introduction. Award: GMPA.

USDA 5b, AHS 8, 5-8', gr 1.5, spring bloom ☀️🌧️🌬️🚫🌱

Item #: 86562 - 2 ¼"

V. carlesii

Spicy sweet fragrance fills the air in early spring when the pink buds expand to white snowball flowers. Beautiful burgundy fall color is icing on the cake. Award: AGM.

USDA 5, AHS 8, 6-8', gr 1.5, spring bloom ☀️🌧️🌬️🚫🌱

Item #: 86652 - 2 ¼" • 86654 - 4"

SPICE BABY™ (V. c. 'SMVCB' pp#25,872, cbr#5307)

Wow! A compact Koreanspice viburnum that's also a good production plant! With its fragrant spring blooms and attractive habit, this seedling of 'Compactum' is a valuable addition to your product line. Large, fragrant blooms appear during peak spring sales. Excellent fall color.

USDA 4, AHS 8, 3.5-5', gr 1.5, spring bloom ☀️🌧️🌬️🚫🌱

Item #: 86662 - 2 ¼"

SPICE GIRL® (V. c. 'Spiro' pp#24,251, cbr#5132)

Everything growers, retailers, and consumers want in a Koreanspice viburnum and more: strong growth, fragrance, and colorful flowers. The spring flowers start out deep reddish-pink and mature to blush pinkish-white. Excellent fall color.

USDA 4, AHS 8, 6-7' tall and wide, gr 1.5

spring bloom ☀️🌧️🌬️🚫🌱

Item #: 86692 - 2 ¼"

Northern witherod viburnum

LIL' DITTY® (V. cassinoides 'SMNVCCD' pp#27,549, cbr#)

Outstanding dwarf viburnum is a puffball of creamy-white flowers in late spring. An adaptable, easy to grow landscape shrub that is perfect for mass plantings, foundations, and the outer edge of water gardens. Native.

USDA 3, AHS 8, 1-2', gr 1, late spring bloom ☀️🌧️🌬️🚫🌱

Item #: 86762 - 2 ¼" • 86764 - 4" • 86765 - Quick Turn

Arrowwood viburnum

ALL THAT GLITTERS® (V. dentatum var. deamii 'SMVDLS' pp#26,576, cbr#5410)

Unusually glossy foliage makes for very appealing presence in the garden center and in the landscape. Much smaller than typical *V. dentatum*, this handsome shrub is a nice size for residential plantings. Large white flower clusters appear in spring, followed by abundant blue fruit when planted near its companion, All That Glows® viburnum. Native.

USDA 4, AHS 8, 4-5', gr 1, early summer bloom, fall fruit ☀️🌧️🌬️🚫🌱

Item #: 86432 - 2 ¼" • 86434 - 4" • 86435 - Quick Turn

ALL THAT GLOWS® (V. dentatum var. deamii 'SMVDBL' pp#25,897, cbr#5409)

The high-gloss shine of this compact viburnum will really catch your eye; so will the white flower clusters and showy blue berries. About half the size of a typical *V. dentatum*, this variety has an attractive dense habit. The fruit size and set is quite large, especially for such a small plant; plant near companion All That Glitters® viburnum for best fruit production. Native.

USDA 4, AHS 8, 4-6', gr 1, early summer bloom, fall fruit ☀️🌧️🌬️🚫🌱

Item #: 86462 - 2 ¼" • 86464 - 4" • 86465 - Quick Turn

BLUE MUFFIN® (*V. d.* 'Christom')

A compact selection with glossy leaves and intense blue fruit in late summer. Perfect for residential landscapes, it makes a great hedge. More copious amounts of fruit when two distinct varieties of the species are planted in close proximity. Chicago Lustre® viburnum is a good pollinator. Native.

USDA 3, AHS 8, 5-7', gr 1, late spring bloom, fall fruit     

Item #: 86862 - 2 1/4" • 86864 - 4" • 86865 - Quick Turn

ALL THAT GLOWS® Viburnum

CHICAGO LUSTRE® (*V. d.* 'Synnestvedt')

Glossy foliage is the outstanding feature of this rapid growing, upright rounded plant. It is not grown for its fall color. A Chicagoland Grows introduction. Native.

USDA 4, AHS 8, 10-12', gr 1, late spring bloom, fall fruit     

Item #: 86892 - 2 1/4" • 86894 - 4"

Linden Viburnum

CARDINAL CANDY® (*V. dilatatum* 'Henneke' pp#12,870)

A special plant with improved hardiness and persistent shiny scarlet red fruit. Fruiting appears strong, even without another pollinator in the area. Discovered in a batch of seed-grown plants after a -30° cold spell killed off all except Cardinal Candy™. Tons of creamy white flowers cover this well-branched, rounded plant in spring. May be easily maintained at a lower height with pruning. Selected by Rod Henneke.

USDA 5, AHS 8, 6-8', gr 1, late spring bloom, fall fruit     

Item #: 87232 - 2 1/4" • 87234 - 4" • 87235 - Quick Turn

BLUE MUFFIN® Viburnum

TANDOORI ORANGE® (*V. d.* 'SMNVDMDO' pp#29,573, cbraf)

The first-ever orange fruited *V. dilatatum* comes from a cross between red fruited Cardinal Candy™ and yellow fruited 'Michael Dodge'. A good production plant that makes an attractive, blooming container. Orange-red autumn foliage adds to its interest. Use Cardinal Candy™ viburnum as a pollinator to ensure abundant fruit set.

USDA 5, AHS 8, 6-8', gr 1, late spring bloom, fall fruit     

Item #: 87344 - 4" • 87345 - Quick Turn

Southern witherod viburnum

BRANDYWINE™ (*V. nudum* 'Bulk')

Experience the most beautiful berry display in the plant kingdom with this viburnum from noted plantsman Mark Bulk. It delivers breathtaking color, with berries that transform from green to ivory to vivid pink and blue. This selection sets fruit without a pollinator, or serves to pollinate 'Winterthur'. Showy glossy leaves change to incredible dark maroon-red in autumn. Award: Long Island Gold Medal Plant, 2018. Native.

USDA 5, AHS 9, 5-6', gr 1, spring bloom, fall color     

Item #: 87742 - 2 1/4" • 87744 - 4" • 87745 - Quick Turn

CARDINAL CANDY® Viburnum

BRANDYWINE™ Viburnum

TANDOORI ORANGE® Viburnum

WABI SABI® *Viburnum*

EMERALD ENVY® *Viburnum*

RED BALLOON® *Viburnum*

SHINY DANCER® *Viburnum*

Viburnum continued

European cranberrybush viburnum

'Roseum' (*V. opulus*)

Snowball bush. Everyone loves this rounded plant with its masses of white flowers. Sterile, non-fruiting. Award: AGM.

USDA 3, AHS 8, 8-12', gr 1, spring bloom ☀️ 🌧️ 🚫 🌸

Item #: 87932 - 2 ¼" • 87934 - 4"

OH CANADA™ (*V. o.* 'SMNVODR' ppaf, cbraf)

An incredibly colorful cranberrybush viburnum with bright yellow maple-like leaves that flush dark orangey-red in spring and early summer. Site in part shade in warmer climates.

USDA 3, AHS 8, 6-8', gr 1, spring bloom ☀️ 🌧️ 🚫 🌸

Item #: 87892 - 2 ¼" • 87894 - 4"

Doublefile viburnum

'Mariesii' (*V. plicatum* var. *tomentosum*)

Horizontally branched habit accented with masses of flat white flowers. Attractive, light green foliage and bright red fruit. Superb fall color! Awards: AGM, PSC.

USDA 5, AHS 8, 8-10', gr 1, late spring bloom ☀️ 🌧️ 🚫 🌸

Item #: 88362 - 2 ¼" • 88364 - 4"

'Shasta' (*V. p. t.*)

Abundant lace-cap flowers with large sterile florets. The growth habit is strongly horizontal. Bright red fruit and purple-maroon autumn leaf coloration. A USNA introduction. Award: GMPA

USDA 5, AHS 8, 6-8', gr 1, late spring bloom, fall color ☀️ 🌧️ 🚫 🌸

Item #: 88462 - 2 ¼" • 88464 - 4"

'Summer Snowflake' (*V. p. t.*)

Long blooming, with compact habit and charming red autumn fruit, it was discovered in the wild in Japan in early 1960's by R.F. Michaud of Alpenglow Gardens. Introduced by UBC. Looks and performs identical to 'Watanabei' but is more compact.

USDA 5, AHS 8, 4-6', gr 1, late spring bloom, fall fruit ☀️ 🌧️ 🚫 🌸

Item #: 88532 - 2 ¼" • 88534 - 4"

PW WABI-SABI® (*V. p. t.* 'SMNVPTFD', pp#29,553, cbraf)

A drift of pure white lacecap blooms atop a low, spreading plant. Perfect for mass planting or for the front of the border.

USDA 5, AHS 8, 2-3', gr 1, late spring bloom, fall fruit ☀️ 🌧️ 🚫 🌸

Item #: 88322 - 2 ¼" • 88324 - 4" • 88325 - Quick Turn

Prague viburnum

'Decker' (*V. pragense*)

A hardy, fast growing gem with very attractive lustrous dark green leaves and pink budded flowers which open white. Selected by Decker Nursery of Ohio for its hardiness.

USDA 5, AHS 8, 8-10', gr 1, late spring bloom ☀️ 🌧️ 🚫 🌸

Item #: 88592 - 2 ¼" • 88594 - 4"

Lantanaphyllum viburnum

'Alleghany' (*V. x rhytidophylloides*)

A stately semi-evergreen viburnum noted for its dark green, rugose leaves and attractive red fruit in late summer. Large, 4-8", creamy-yellow flowers in spring. A USNA introduction.

USDA 5, AHS 8, 6-8', gr 1.5, spring bloom ☀️ 🌧️ 🚫 🌸

Item #: 88852 - 2 ¼" • 88854 - 4"

PW EMERALD ENVY® (*V. x r.* 'NCVR1' pp#28,094)

Bold, glossy, emerald green leaves with a dense, compact habit makes this improved lantanaphyllum viburnum a standout amongst its peers. A remarkably handsome, super tough semi-evergreen with loads of creamy white flowers in spring. Developed by Dr. Tom Ranney of NCSU.

USDA 6, AHS 9, 6-8', gr 1, spring bloom ☀️ 🌧️ 🚫 🌸

Item #: 88672 - 2 ¼" • 88674 - 4" • 88675 - Quick Turn

RED BALLOON® (V. x. r. 'Redell' pp#24,227, cbr#4913)

Showy and easy to grow, this compact, well-branched hybrid makes a really sharp, balanced container. Spring brings loads of white flowers, followed by bright red fruit, tightly packed into showy clusters in late summer and fall. Enhance fruiting by planting it near 'Mohican' or 'Alleghany'.

USDA 4, AHS 8, 6-8', gr 1, spring bloom
Item #: 91432 - 2 1/4" • 91434 - 4" • 91435 - Quick Turn

American Cranberrybush

REDWING® (V. trilobum 'J.N. Select')

Selected by Johnson's Nursery in Wisconsin for its form, growth rate and attractive red-tinted new foliage. White flowers in spring are followed by persistent, bright red fruit. Bright red to wine red fall foliage. Native.

USDA 2, AHS 7, 8-9', gr 1, late spring bloom
Item #: 89852 - 2 1/4" • 89854 - 4"

Hybrid varieties

SHINY DANCER® (V. 'NCVX1' pp#28,095)

An extraordinary compact viburnum, noted for its surreal waxy leaves that are tinged with an attractive red margin. Abundant ivory flowers adorn this shrub in spring. The dark green, heavily textured, semi-evergreen foliage turns burgundy-red in late autumn. This easy to grow, adaptable landscape plant was developed by Dr. Tom Ranney of NCSU by crossing V. 'Huron' with V. 'Chippewa'. Use either parent as a pollinator for a crop of persistent dark red fruit.

USDA 6, AHS 8, 3-5', gr 1, late spring bloom
Item #: 92204 - 4" • 92205 - Quick Turn

Vitex • Chaste tree

Lamiaceae (Vit-ex: Ancient Greek name used for the plant)

BLUE DIDDLEY® (V. agnus-castus 'SMVACBD' pp#26,614)

This dwarf chaste tree is a fun little ball of lavender-blue flower spikes in mid-summer. Its compact size gives it better container presentation than other varieties.

USDA 6(5b), AHS 9, 3-6', gr 1, summer bloom
Item #: 94012 - 2 1/4" • 94014 - 4" • 94015 - Quick Turn

Weigela florida • Weigela

Family: Caprifoliaceae (Weigel-a: Named for C.F. Weigel, 1748-1831, German Professor; florid-a, free-flowering)

CZECHMARK® Series

Bred and selected for hardiness, extra large flowers and a range of vivid colors, these weigela represent some of the best Czech breeding we've found. The floral display gives them irresistible appeal at retail and in the landscape.

CZECHMARK SUNNY SIDE UP® (W. f. 'VUKOZ041323' pp#28,967, cbraf)

A unique and showy weigela with crisp white and yellow flowers that contrast boldly against its dark green leaves.

USDA 4, AHS 8, 3-4.5', gr 1, spring bloom
Item #: 97682 - 2 1/4" • 97684 - 4" • 97685 - Quick Turn

CZECHMARK TRILOGY™ (W. f. 'VUKOZGemini' pp#28,969, cbraf)

Think of Czechmark Trilogy™ weigela as an improved, more compact 'Carnaval' with larger flowers and more vivid flower hues of white, pink and red appearing at once above the glossy foliage.

USDA 4, AHS 8, height 3-3.5', gr 1, spring bloom
Item #: 97672 - 2 1/4" • 97674 - 4" • 97675 - Quick Turn

CZECHMARK TWOPINK® (W. f. 'VUKOZ90345' pp#28,970, cbraf)

A standout in our trial garden, this weigela displays an abundance of large pink flowers, some dark pink and some light pink.

USDA 4, AHS 8, height 3-3.5', gr 1, spring bloom
Item #: 97732 - 2 1/4" • 97734 - 4" • 97735 - Quick Turn

CZECHMARK TRILOGY™ Weigela

CZECHMARK TWOPINK® Weigela

Weigela continued

FINE WINE® (W. f. 'Bramwell' pp#18,513)

This next generation of Wine & Roses® weigela: the same dark burgundy foliage, but with a compact mounded habit similar to *Spiraea japonica*. It's a refined plant with abundant pink flowers and appealing texture. Great for the front of the border, the perennial bed, or as a low foundation plant.

USDA 4, AHS 8, 2-3', gr 1, spring bloom ☀️ 🌧️ 🌸
Item #: 96102 - 2 1/4" • 96104 - 4" • 96105 - Quick Turn

MIDNIGHT WINE® (W. f. 'Elvera' pp#12,217, cbr#2643)

A marvelous low mounding, dwarf version of Wine & Roses® weigela that's perfect for the front of the border. Developed by Herman Geers. Awards: MOBOT Tried and True. Primarily a foliage plant.

USDA 5, AHS 8, 10-12", gr 1, foliage interest ☀️ 🌧️ 🌸
Item #: 97602 - 2 1/4" • 97604 - 4" • 97605 - Quick Turn

MY MONET® (W. f. 'Verweig' pp#16,824, cbr#3315)

A sport of 'Tango', dwarf My Monet® weigela has a tight habit and colorful foliage. Pink, white and green variegated foliage often takes on deep pink tones in late summer. Create a drift along the edge of an annual or perennial bed, or brighten up semi-shady areas. Awards: MOBOT Tried and True; 2006 Best of Show Far West Show; Gold Medal Boskoop Royal Horticulture Society; 2007 Hot Shrubs People Places and Plants; 2007; 2006 Gold Medal Plantarium.

USDA 4, AHS 6, 1-1.5', gr 1, spring bloom ☀️ 🌧️ 🌸
Item #: 98882 - 2 1/4" • 98884 - 4" • 98885 - Quick Turn

MY MONET PURPLE EFFECT™ (W. 'Verweig8' ppaf, cbr#f)

Hues of cream, green, and pink, layered with a cast of burgundy-purple, make the foliage of this new dwarf, variegated selection noteworthy. From the renowned plantsman Bert VerHoef, it is exceptionally strong flowering for a dwarf, delivering purple-pink flowers in mid-late spring. A companion to My Monet weigela, it is a tad faster growing and more heat tolerant. The foliage looks good right up until frost, giving new energy to this long-time favorite.

USDA 4, AHS 6, 1.5-2.5', gr 1, spring bloom ☀️ 🌧️ 🌸
Item #: 98712 - 2 1/4" • 98714 - 4" • 98175 - Quick Turn

MY MONET® 'Sunset' (W. f. 'Sunset' pp#23,212, cbr#4691)

This unique dwarf weigela has very attractive gold foliage and extraordinary, sunset-hued fall color. Grown primarily for its foliage, it occasionally produces soft, rosy pink flowers. Add it to the front of beds and borders for multi-season color.

USDA 5, AHS 7, 1-1.5', gr 1, foliage interest ☀️ 🌧️ 🌸
Item #: 94832 - 2 1/4" • 94834 - 4" • 94835 - Quick Turn

SNIPPET™ Series

Snippet™ weigela are the perfect package of this old fashioned favorite: reblooming with a useful rounded dwarf habit.

SNIPPET™ Dark Pink (W. f. 'VUKOZLyra' ppaf, cbr#f)

A hardy dwarf weigela from the Czech Republic with richer, dark pink flower color than 'Pink Poppet' or 'Minuet.' It reblooms quite nicely and can be cycle-pruned to deliver a flowering crop to garden centers through the season.

USDA 4, AHS 8, 1-2', gr 1, spring rebloomer ☀️ 🌧️ 🌸
Item #: 97802 - 2 1/4" • 97804 - 4" • 97805 - Quick Turn

SNIPPET LIME™ (W. f. 'VUKOZ047213' ppaf, cbr#f)

A hardy dwarf weigela from the Czech Republic with fresh, lime green foliage and pure pink blooms. It also reblooms quite nicely and can be cycle-pruned to deliver a flowering crop to garden centers through the season.

USDA 4, AHS 8, 1-2', gr 1, spring rebloomer ☀️ 🌧️ 🌸
Item #: 97692 - 2 1/4" • 97694 - 4" • 97695 - Quick Turn

SONIC BLOOM® Series

The Sonic Bloom® series boasts the strongest reblooming ever seen in weigela, with loads of flowers in late spring, followed by waves of flowers until frost. Pruning is not required to get repeat blooms. These beautiful plants extend your garden show and the sales season. The entire Sonic Bloom series are Flowering Shrubs of the Year for 2019.

SONIC BLOOM® GHOST® (W. f. 'Carlton' pp#20,025, cbr#3860)

A long-time favorite here and with our customers, Ghost weigela boasts unrivaled foliage color and vivid flowers. Because of its unusual, other-worldly beauty, we've largely ignored the fact that it has always been an outstanding rebloomer too. Upgrading it to the Sonic Bloom® series of reblooming weigela has been long overdue, and we're pleased to make the change this year. Enjoy the same amazing ghostly, glowing foliage, lipstick red flowers, abundant rebloom, just with a new name: Sonic Bloom Ghost weigela.

USDA 4, AHS 8, 4-5', gr 1, spring rebloomer 🌞 🌧️ 🌱 🌸

Item #: 98422 - 2 1/4" • 98424 - 4" • 98425 - Quick Turn

SONIC BLOOM® GHOST® Weigela

SONIC BLOOM® Pearl (W. f. 'Bokrasopea' pp#24,585, cbr#4598)

The flowers open pure white with a yellow throat then change to pink, with multiple colors appearing on a single plant. The flowers really pop against the bright green foliage.

USDA 4, AHS 8, 4-5', gr 1, spring rebloomer 🌞 🌧️ 🌱 🌸

Item #: 96372 - 2 1/4" • 96374 - 4" • 96375 - Quick Turn

SONIC BLOOM® Pearl Weigela

SONIC BLOOM® Pink (W. f. 'Bokrasopin' pp#24,572, cbr#4597)

Hot pink buds open to deep pink flowers. A very potent rebloomer.

USDA 4, AHS 8, 4-5', gr 1, spring rebloomer 🌞 🌧️ 🌱 🌸

Item #: 96142 - 2 1/4" • 96144 - 4" • 96145 - Quick Turn

SONIC BLOOM® Pure Pink (W. f. 'SMNWFRP' ppaf, cbr#4597)

A new addition to the Sonic Bloom® series of reblooming weigela. This upright, heavy flowering selection has loads of bright, pure pink blooms and is noted for its exceptional propensity to rebloom.

USDA 4, AHS 8, 3-5', gr 1, spring rebloomer 🌞 🌧️ 🌱 🌸

Item #: 95502 - 2 1/4" • 95504 - 4" • 95505 - Quick Turn

SONIC BLOOM® Red (W. f. 'Verweig 6' pp#25,132, cbr#4716)

The lipstick-red flowers are remarkable enough to make this a choice selection, but a burst of flowers in May followed by waves of rebloom make it a must-have garden plant.

USDA 4, AHS 8, 4-5', gr 1, spring rebloomer 🌞 🌧️ 🌱 🌸

Item #: 96242 - 2 1/4" • 96244 - 4" • 96245 - Quick Turn

SPILLED WINE® (W. f. 'Bokraspiwi' pp#23,781, cbr#4655)

Spilled Wine® weigela has dark red, wavy leaves and a spreading habit. Its hot pink-magenta flowers are similar to those of Wine & Roses® weigela, but this is a smaller plant that is wider than it is tall. Perfect for edging or filling in spaces in a sunny border.

USDA 4, AHS 8, 2-3' tall and 3' wide, gr 1, spring bloom 🌞 🌧️ 🌱 🌸

Item #: 96132 - 2 1/4" • 96134 - 4" • 96135 - Quick Turn

SONIC BLOOM® Pink Weigela

WINE & ROSES® (W. f. 'Alexandra' pp#10,772, cbr#2642)

Now a landscape standard, thanks to its dark burgundy-purple foliage and intense rosy-pink colored flowers. Full sun for darkest color. A "knock your socks off" shrub developed by Herman Geers of the Netherlands. Awards: GMPA; AGM; Silver Medal Boskoop Royal Horticulture Society.

USDA 4, AHS 8, 4-5', gr 1, spring bloom 🌞 🌧️ 🌱 🌸

Item #: 99002 - 2 1/4" • 99004 - 4" • 99005 - Quick Turn

PARTNERING WITH PLANT BREEDERS FOR OVER 20 YEARS

Plant breeders like you provide the passion, dedication and vision to create new and better plants. Working as your partner, we can provide you with secure trialing, plant patent and breeder's rights assistance, licensing, an international grower network, royalty collection, and world class marketing that includes access to Proven Winners®, the number one plant brand.

Spring Meadow has a proven track record of partnering with breeders from England, France, Germany, Poland, Belgium, Hungary, Japan, Korea, the Netherlands, the Czech Republic, Canada, and the United States: partnerships that deliver results and rewards for breeders, growers, retailers and consumers.

TRIALING AND R & D

Every potential introduction into the Proven Winners® ColorChoice® line is extensively trialed and tested here at Spring Meadow Nursery. Whether from our own breeding program or from one of the talented breeders we work with, we subject every shrub we are considering for introduction to a gauntlet of challenges. Each variety must exhibit superior performance in propagation, production, container presentation, and in the field and landscape; simply having consumer or retail appeal isn't sufficient. On average, it takes ten years under our auspices until a plant makes it into this catalog.

If you find yourself in west Michigan in the growing season, arrange for a tour of our facilities, or learn more under the "innovation" tab at springmeadownursery.com.

Spring Meadow Nursery, Inc. Standard Terms and Conditions

1. **BINDING CONTRACT.** These terms and conditions set forth the sole terms for the sale of goods and services by Spring Meadow Nursery, Inc., a Michigan corporation ("Spring Meadow"), and any contract made for the sales of goods and services by Spring Meadow is expressly conditional on Buyer's assent to the terms stated herein. Spring Meadow disclaims, objects and rejects any Buyer document, including a purchase order or confirming order that in any way adds to, varies, conflicts with or attempts to alter these terms. In the event of any dispute between these terms and any document of Buyer, these terms shall control.
2. **PRICES AND TAXES.** All prices are FOB Spring Meadow's place of business. All future orders will be confirmed immediately but are subject to applicable prices at the time of shipment. All prices are subject to change without notice. The amount of any local, state or federal tax levied on the goods is not charged by Spring Meadow due to its agricultural designation and shall remain the sole responsibility of Buyer. Packing and shipping charges are not included in the prices and will be added to the invoice at the time of shipment. Cash in advance accounts will prepay the packing/shipping charge. If actual shipping charges exceed our estimate, Buyer will be responsible for all additional charges incurred. Effective 7/1/2012 Buyer agrees that Buyer will not sell wholesale any Proven Winners® ColorChoice® finished plants at prices less than the Quality Standard Pricing that Spring Meadow assigns to its products from time to time. Quality Standard Pricing is subject to change on an annual basis without notice. Spring Meadow will publish an annual Quality Standard Pricing standard. Please contact the sales department for a copy.
3. **MINIMUM ORDER.** Spring Meadow's minimum order is 1 tray of a cultivar and a total order of not less than 20 trays.
4. **CREDIT ACCOUNTS.** Orders will be accepted on a CASH IN ADVANCE basis only unless a written confidential credit application has been submitted to and approved by Spring Meadow. Processing time is approximately 6 weeks; we encourage customers to apply for terms during the off season, as processing times may be longer during the shipping season. If buyer has established credit in the manner described above, the payment terms are 2% 10 NET 30. Any portion of the order cost not paid in accordance with these payment terms shall bear interest from the due date in the amount of 1.5% per month or at a rate not to exceed lawful limits, until paid. Payment on delinquent accounts is applied first to accrued interest. The early payment discount does not apply when credit cards are used for payment on credit accounts. Buyer shall reimburse Spring Meadow for all actual costs and attorneys' fees incurred in enforcing any term of this agreement. A \$25.00 charge will be assessed for all payments returned for insufficient funds.
5. **CASH IN ADVANCE ACCOUNTS; VISA AND MASTERCARD ACCOUNTS.** A 25% deposit is encouraged for all credit card (Visa, Master Card) and cash in advance orders. Although the deposit is not required, inventory will be allocated first to customers who have set up 2% 10 NET 30 terms, then to orders with a deposit in place. Payment in full must be received 30 days prior to shipping date; credit cards will be charged in full 30 days prior to shipping. Cancelled orders may be charged a processing and/or restocking fee. Freight and packaging for credit card orders will be charged upon shipment.
6. **SHIPPING AND DELIVERY.** All shipments are FOB Spring Meadow's place of business, and all risk of loss and damage to the goods passes to Buyer upon delivery of goods to the common carrier. Any dates or schedules that are specified for delivery of services or goods are stated only approximately, calculated from the date of receipt of Buyer's order. All plant varieties are not available for fall or dormant winter/spring shipment. Spring Meadow will attempt to deliver plants as close as possible to a requested ship date, but reserves the right to adjust the shipping date based on the quality and readiness of the plants. Each tray of plants is boxed, stacked on pallets or racked, and then stretch-wrapped, or netted together as one shipping unit. Palletized or racked shipments are normally a better value than FedEx if Buyer's order exceeds 20 trays. Buyer must notify us in advance if unable to accept a pallet shipment. Spring Meadow ships FedEx in custom designed boxes. Four trays per box, specially packed in an upright position travel to Buyer's door.
7. **SHIPPING DAMAGES CLAIMS.** All shipping damages must be noted at the time of receipt of goods from the carrier. Any box breakage or other obvious damages must be noted in writing on the carrier's bills of lading. Claim forms are available from the carrier.
8. **FORCE MAJEURE.** Spring Meadow shall not be responsible or liable for any delays in service completion due to any cause or condition beyond its control, including, without limitation, fire, flood, earthquake, labor dispute, shortage of materials or supplies, riot or other civil disturbance, war, acts of God or nature, accident, or any acts of any government.
9. **PROVEN WINNERS® COLORCHOICE® FEES.** Proven Winners® ColorChoice® fees are collected to cover patent, trademark, breeder, brand and marketing costs in addition to the listed plant price. Proven Winners® ColorChoice® fees are subject to change without notice.
10. **PROVEN WINNERS BRAND.** Upon the purchase of any patented or trademarked plants from Spring Meadow, Buyer agrees to the following: (a) To purchase and affix the trademark and/or patent tag, which properly identifies the plant, to each plant sold. (b) To clearly identify proper plant names including plant patent numbers and trademark names in all sales literature. (c) To feature the Proven Winners® ColorChoice® branded product line and not affix other branded tags or co-brand with any other brand. (d) To not propagate or aid in the illegal propagation of any Proven Winners® ColorChoice® plant without a license. (e) To sell Proven Winners® ColorChoice® plants in approved Proven Winners® ColorChoice® branded containers. **NOTE: FEDERAL LAW STRICTLY PROHIBITS THE ASEXUAL PROPAGATION OF PATENTED PLANTS, WITHOUT A LICENSE. STATE AND/OR FEDERAL LAW PROHIBITS THE UNAUTHORIZED USE OF TRADEMARKS.**
11. **LIMITED WARRANTY.** Spring Meadow warrants its plants to be true to name, to be inspected by the Michigan Department of Agriculture and certified to be apparently free of dangerous insects and dangerously contagious plant diseases, and to be in good living condition at the time of delivery to the common carrier. Buyer's remedy is limited, in the sole discretion of Spring Meadow, to replacement of any plants determined to be defective and covered by this limited warranty. Replacement plant material will be provided as soon as production plans permit and will be shipped by Spring Meadow at no cost to Buyer. Claimed defective plants must be discarded and documentation of such provided.
12. **EXCLUSION OF OTHER WARRANTIES. THE LIMITED WARRANTY STATED ABOVE IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, AND SPRING MEADOW HEREBY EXPRESSLY DISCLAIMS ANY AND ALL OTHER WARRANTIES OF ANY KIND OR NATURE, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, OR FUTURE GROWTH. NO WARRANTIES OR REPRESENTATIONS MADE AT ANY TIME BY ANY REPRESENTATIVE OF SPRING MEADOW SHALL BE EFFECTIVE TO VARY OR EXTEND THE LIMITED WARRANTY OR OTHER TERMS.**
13. **LIMITATION OF CLAIMS FOR DEFECTIVE PLANTS.** No plant claims covered by the limited warranty may be brought against Spring Meadow more than ten (10) days after shipment. Claim notification must be in writing. No claims will be paid on plants shipped while dormant.
14. **LIMITATION ON LIABILITY:** Under no circumstance shall Spring Meadow's liability to Buyer exceed the value of this agreement. Under no circumstances, whether arising in contract, tort, equity or otherwise, shall Spring Meadow be liable for consequential, incidental or special damages (including loss of use, lost profits, increased operating or maintenance expense), related to the provision of services or goods.
15. **APPLICABLE LAW:** This agreement shall be deemed made in Ottawa County, Michigan and shall be governed by Michigan law without regard to its conflict of laws principles.
16. **DISPUTE RESOLUTION:** Any action arising out of it shall be governed by Michigan law and shall be brought in the District or Circuit Court for Ottawa County or in the U.S. District Court for the Western District of Michigan. Buyer consents that such courts shall have personal jurisdiction over Buyer as to any such action and that the mailing of any process to Buyer's last known address by registered mail shall constitute lawful and valid service of process.
17. **MISCELLANEOUS:** All notices shall be provided to the addresses set forth in this agreement and if none is provided, to the party's resident. Wherever possible, all terms shall be interpreted consistently. If a conflict arises as to price, payment or delivery, the typed terms on the front page shall control over printed provisions on this side. For any other conflict, these Terms and Conditions shall control. No usage in trade shall create a conflict with these terms. Spring Meadow reserves the right to correct any typographical error in this Agreement. If any provision is determined to be unenforceable, the remainder of this agreement shall remain in full force and effect.
18. **ENTIRE AGREEMENT AND AMENDMENT:** This agreement contains all of the terms of the agreement between Spring Meadow and Buyer as to its subject matter and supersedes all prior oral or written representations, agreements, and other communications between Spring Meadow and Buyer. This agreement may be amended only by a writing signed by Spring Meadow and an officer of Buyer.

OVER 200 AWARDS – AND COUNTING

When a Proven Winners ColorChoice shrub earns an award, it lends credibility and prestige to that variety and tells the public that someone else sees our brand promise borne out in practice. This helps plants stand out among the rest and clarifies purchasing decisions. We include “Award Winner” as the main call-out on our plant tags for each of the varieties that has received an award, with additional information on our websites as well. Here’s a look at some of the plants that have been decorated by our industry in the last year:

Green Thumb Award,
Direct Gardening Association

INVINCIBELLE WEE WHITE® *Hydrangea*

American Rose Society Award of Excellence

OSO EASY® URBAN LEGEND® *Rosa*

American Rose Trials for
Sustainability Master Rose Award

OSO EASY® Petit Pink *Rosa*

HAVE YOU HEARD?

Thanks to you, we've reached our goal of donating

\$1,000,000

to the Breast Cancer Research Foundation!

A sincere thank you to all the growers, retailers, and gardeners across North America who have helped our industry reach this remarkable achievement. This million dollar donation represents over 20,000 hours of life-saving research and scientific discoveries, undertaken by the highest rated breast cancer organization in the United States.

But we're not done.

Now's the time to celebrate this amazing accomplishment and first for our industry – and it's also time to look ahead. There's still much work to be done, so we will continue to support BCRF by donating \$1 for each Invincibelle Spirit II hydrangea sold. Look for a colorful, informative new tag that helps tell the story of this innovative flowering shrub and increased sales, thanks to print and social media promotions.

To everyone who helped us reach this goal, thank you! Give yourself a pat on the back, but don't rest on your laurels: let's get to the second million.
