# NEW VARIETIES FOR 2020

# NEW FOR 2020

This year's new introductions represent a diverse group of colorful, unique shrub selections. They include a little something for everyone - landscapers, homeowners, plant geeks, and of course, growers and retailers looking to increase their profits and set themselves apart from the competition.

All of our liners, including those for new varieties, are sold on a first come, first served basis, so contact your account manager right away to secure your share.
