

Berberis thunbergii

SUNJOY® Mini Saffron

Berberis thunbergii 'Kasia' pp#24,817

Faster growing than other dwarf barberry

This dwarf golden barberry is more vigorous than others, and shines even in the heat of the summer with its excellent burn resistance. The foliage has hints of orange in the new growth and orange-red fall color. Excellent for edging or mass plantings.

- **SIZE & SHAPE**
1.5-2' TALL
