

WAX WINGS™ Mirror Bush

Coprosma

WAX WINGS™ Gold *Coprosma repens* 'Golden Star' USPP 28,272

Enjoy color all year long with glossy, vibrant Wax Wings™ mirror bush. This New Zealand native is ideal for evergreen hedging, groundcover, and specimen plantings. The Wax Wing™ varieties have especially vibrant colors and good branching. Though quite tender, these vigorous shrubs make a nice choice for seasonal color in cold climates and can be brought indoors as a houseplant in winter.
