Exochorda 'Niagara' pp#21,665, cbr#4768

Compact pearl-bush

A flood of spring flowers, this new and improved pearl-bush comes from Herman Geers, the breeder of Wine & Roses[®] weigela. It's a cross between *E. x macrantha* 'The Bride' and *E. racemosa*. The result is larger flowers and a more compact, broadly upright growth habit.
