

CHIFFON® Hibiscus

Hibiscus syriacus

Pick your favorite color!

All of the Chiffon® rose of Sharon varieties have abundant, uniquely shaped flowers and a graceful habit. The large blooms have a very low seed-set. These excellent production plants also perform in the landscape.

- DEER-RESISTANT
- HEAT-TOLERANT
- EXTREMELY ADAPTABLE
- TOLERATES CLAY SOIL AND BLACK WALNUT
- POLLINATOR FRIENDLY
