

Hydrangea arborescens

INCREDIBALL® Blush

Hydrangea arborescens 'NCHA4' pp#28,280, cbr#5624

It has the same huge flowers and sturdy stems as the original Incrediball®...but in pink! Blush-pink flowers age to an attractive green. This adaptable native plant is a great choice for summer gardens, and is a good cut flower, too.

- **SIZE & SHAPE**
4-5' TALL
AND WIDE
