

INVINCIBELLE GARNETTA[®] *Smooth Hydrangea*

Hydrangea arborescens 'NCHA6', ppaf, cbraf

Later blooming

Extend the hydrangea season with this late season variety. A compact habit and handsome foliage makes it appealing even before it flowers, but when the dark burgundy buds mature to deep garnet-pink you're in for a real show.

This dwarf plant is smaller than Invincibelle[®] Ruby and blooms several weeks later.

- **SIZE & SHAPE**
2.5' TALL
AND WIDE

- **SPACING 2.5'**
- **USDA ZONE 3-8**
- **FULL SUN / PART SUN**
