

Hydrangea serrata

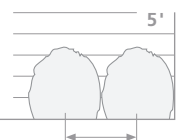

LET'S DANCE CAN DO![™] *Mountain Hydrangea*

Hydrangea serrata 'SMNHSI' ppaf, cbraf

The fastest to rebloom!

Our strongest rebloomer is also the fastest to rebloom. Look for the show star-like double flowers to bloom through to frost. The flower color ranges from bright silvery-pink to periwinkle-violet when treated with aluminum.

- **SIZE & SHAPE**
3-4' TALL
3' WIDE

- **SPACING** 3-4'
- **USDA ZONE** 5-9
- **FULL SUN / PART SUN**
