

WEE BIT™ Bigleaf *Hydrangea*

Hydrangea macrophylla

WEE BIT GIDDY® *Hydrangea macrophylla* 'SMNHML' ppaf, cbraf

Compact habit, glossy, disease resistant foliage and vibrant blooms like the Cityline® hydrangeas, but with improved garden performance.

Wee Bit Giddy® is an outstanding red-pink in alkaline soil and dark violet when treated with aluminum sulfate.

Wee Bit Grumpy® has intense royal blue flowers when treated with slow release aluminum sulfate.
