

*Hydrangea serrata*

# TUFF STUFF™ Red

*Mountain Hydrangea* *Hydrangea serrata* 'SMNMAKTSR', pp#28,672, cbr#5789

## Pink reblooming mountain hydrangea

Like the other Tuff Stuff™ hydrangeas, Tuff Stuff™ Red is a rebloomer with excellent bud hardiness. Although *H. serrata* flower color is affected by soil, this selection leans towards pink, and develops dark pink-red flowers in neutral to basic soils. Flowers open to a two-toned green and red, then mature to pink-red. Strong stems and prolific blooms give this mounded hydrangea a handsome presentation in the landscape.
