

HAPPY FACE® Tundra Rose

Potentilla fruticosa

Bigger, brighter flowers

Cold hardy, deer-resistant potentilla is a great landscape plant for cool climates. These new varieties were selected for their outstanding flower displays and compact habits. They make an excellent low-maintenance mass planting or foundation planting.

HAPPY FACE® Yellow

Potentilla fruticosa 'Lundy' pp#22,176, cbr#4912

HAPPY FACE HEARTS®

Potentilla fruticosa 'SMNPPS'

pp#30,710, cbraf
