

# FINE LINE®

*Rhamnus frangula* 'Ron Williams' pp#14,791

## Fastigate, non-invasive *Rhamnus*

A tremendous plant for container gardens and narrow spaces, Fine Line has a narrow habit that fits easily into landscapes. Fine Line is a non-invasive alternative to other buckthorn varieties; it produces very little fruit and has a very low (less than 3%) germination rate. Its fine texture, durable nature and narrow habit make it a tremendously useful landscape plant.

- **SIZE & SHAPE**  
5-7' TALL  
2-3' WIDE

- **SPACING** 2-4'
- **USDA 2, AHS 7**
- **FULL SUN / PART SHADE**

DEER-RESISTANT | VERY COLD-HARDY | NON-INVASIVE  
PRUNING IS SELDOM NEEDED, BUT MAY BE TRIMMED IN FALL
