*Rhododendron* 'Amy Cotta' pp#11,311

## Semi-dwarf 'PJM'

A rich pink, heavy flowering form of 'PJM' rhododendron, 'Amy Cotta' is a slow-growing, semi-dwarf form that is perfect for sites which call for a compact flowering evergreen. Dense azalea-like foliage is smaller and darker than that of 'PJM'; plentiful ruffled blooms cover the plant in early spring.
