**Hardy, disease-resistant rhododendrons**

**Dandy Man Color Wheel®:**

Enjoy a changing palette of color. Handsome evergreen foliage, excellent disease resistance, and heat tolerance make this NCSU hybrid an adaptable, widely usable broadleaf evergreen.

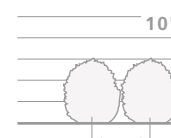

**Dandy Man® Pink:**

A unique combination of hardiness, heat tolerance and root rot resistance makes this *hyperthyrum* hybrid a garden workhorse.

**Dandy Man® Purple:**

Proven hardy in Maine and New Hampshire, it's a superior evergreen for landscaping.
