

# AT LAST<sup>®</sup>

Rosa 'HORGOGJIL' pp#27,541, cbr#5631

**Finally – a fragrant, disease resistant rose!**

We know you love your disease resistant roses, but that you've missed the classic rose fragrance they've never been able to provide. At Last rose changes all that by offering lush, full flowers with a true rose scent. Its romantic apricot-peach blooms are self-cleaning and appear continuously on the plant without deadheading. Glossy, deep green foliage stays free of black spot and powdery mildew.
