

# OSO EASY<sup>®</sup> Mango Salsa

Rosa 'ChewperAdventure' pp#22,190, cbr#4688

## Amazing color

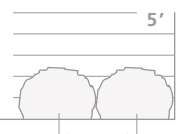

The rich, ruby-red grapefruit color of this landscape rose sets it apart from other disease-resistant varieties. Abundant flowers cover the glossy green foliage in summer. This is a spectacular mass planting, and also makes a nice specimen plant for containers or borders.

DISEASE-RESISTANT | REBLOOMER | MAY BE TRIMMED IN SPRING IF NEEDED
