

# OSO EASY<sup>®</sup> Peachy Cream

Rosa 'Horcoherent' pp#15,982, cbr#3584

## Disease-resistant

This lovely low mounded rose delivers clouds of blooms that emerge peach and transform to cream. The large, double flowers are self-cleaning and contrast wonderfully against the glossy dark green foliage. Peachy Cream is a refined pastel alternative to the saturated colors of most disease-resistant roses. It is an elegant specimen or mass planting.

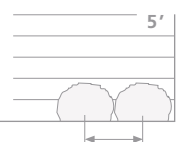

DISEASE-RESISTANT | REBLOOMER | MAY BE TRIMMED IN SPRING IF NEEDED
