

OSO EASY® Petit Pink

Rosa 'ZLEMarianneYoshida' pp#22205; cbr#4448

American Rose Society Award of Excellence.

Oso Easy Petit Pink is a delightful plant for the summer garden. Romantic sprays of petite, bubble gum pink flowers and small green leaves are reminiscent of a miniature rose, but this variety is comparable to 'The Fairy' in its mature size. A very refined mound with a strong continuous bloom and exceptional disease resistance. A great rose for the shrub or perennial border. Winner of the 2012 ARS Award of Excellence for Miniature Roses. Now a part of the best-selling Oso Easy series of landscape roses.

- **SIZE & SHAPE**
1.5 - 2.5' TALL
AND WIDE

- **SPACING** 2.5 - 4.5'
- **USDA** 4, **AHS** 9
- **FULL SUN**
