

*Spiraea japonica*

# DOUBLE PLAY<sup>®</sup> ARTISAN<sup>®</sup>

*Spiraea japonica* 'Galen', pp#21,712, cbr#4072

## Red-purple new growth

You get multiple seasons of interest from this new variety! Foliage emerges purple-red before turning blue-green. The flowers are rich dark pink, with more intense color than other varieties. This compact, full-bodied mound is an excellent mass planting or edging plant.

- **SIZE & SHAPE**  
2-2.5' TALL  
AND WIDE

- **SPACING** 2.5-3'
- **USDA 3, AHS 9**
- **FULL SUN/ PART SHADE**

DEER-RESISTANT | COMPACT

PRUNING IS SELDOM NEEDED, BUT MAY BE TRIMMED AFTER FLOWERING
