

# DOUBLE PLAY<sup>®</sup> BLUE KAZOO<sup>®</sup>

*Spiraea media* 'SMSMDPBK', pp#26,655, cbraf

## Compact.

Cool blue foliage is the perfect contrast to this hardy plant's crisp white blooms. Hints of burgundy in the new growth foreshadow the rich red foliage color it develops in the fall. This neat, mounded plant is an excellent addition to the landscaper's palette. It makes an excellent foundation planting or mass planting, and is extremely durable.
