

# BABY KIM™

*Syringa* 'SMNSDTP' PPAF; CBRAF

## Improved 'Miss Kim'

It's more dwarf than 'Miss Kim' and has darker flowers that hold their color nicely. Dark purple buds open to purple blooms that age to lavender. This fragrant plant has plenty of impulse appeal for retail and is a durable, usefully sized plant for landscaping.

- **SIZE & SHAPE**  
2-3' TALL  
2.5' WIDE
