Taxus

STONEHENGE®

Taxus x media 'SMNTHDC' PPAF; CBRAF

STONEHENGE SKINNY™

Taxus x media 'SMNTHDPF' PPAF; CBRAF

Better color, hardiness and winter coloration are hallmarks of this series.

STONEHENGE® - the original
Narrow enough to be useful, dense enough to look good in a container, and fast-growing enough to be profitable

STONEHENGE SKINNY™ - like the original, only skinnier! Great as a hedge or specimen plant

STONEHENGE DARK DRUID™ - a handsome globe with a tight rounded habit. An excellent low hedge.
